

Subject Energy storage system exemption

Authors Stephenson

Analyst Jared Swanson

Date March 15, 2022

Summary

Provides a property tax exemption for energy storage systems. Land on which the systems are located would remain taxable and would be classified as 3a commercial. The bill also provides for a refund of taxes paid on these systems in 2021 and 2022.

Effective date: This section is effective beginning with assessment year 2022.
