

UNITED WE GIVE

DIVIDED WE FALL

About Us

Established in 2017, Hometown Hero Outdoors is a 501c3 nonprofit that has expanded to over 25 states and has more than 130 volunteers on field staff who go above and beyond to provide the many unique outdoor events and trips for our members.

Our Mission

Hometown Hero Outdoors' mission is providing our members, which consist of first responders (EMS, fire, and law enforcement), military service members, and veterans, with enriching outdoor experiences, fostering healing, and strengthening community bonds.

Our ultimate vision is to have a future where Hometown Hero Outdoors assists all first responders, military service members, and veterans in overcoming the challenges they face.

 - Fishing Rod Builders Class
- and many more...

Operation Guardian Sentinels

Mental health is a topic we take seriously at HHO. The outdoors is used to create bonds/friendships with the hope that members will reach out to us in their time of need. HHO has furthered its commitment through "Operation Guardians Sentinel." This operation is to show our protectors that they are not alone and we are here to help. The organization is continually looking to build our ability to assist with their mental health and continue healing through the outdoors

"ASIST is a two day, skills building workshop that prepares caregivers of all kinds to provide suicide first aid interventions. Professionals, volunteers and informal helpers, all need to know how to help persons with thoughts of suicide in ways that increase their suicide safety."

How We Are Funded

Hometown Hero Outdoors is heavily funded through donations, fundraising, and grants. All who volunteer with HHO are not compensated though legal counsel, CPA, bookkeepers, and other critical items such as organizational insurance and our website are. This is all so all proceeds can be designated towards our mission.
