

1.1 moves to amend H.F. No. 1155, the second engrossment, as follows:

1.2 Page 8, delete lines 25 to 34

1.3 Page 9, delete lines 1 and 2 and insert:

1.4 "Only persons acting consistent with section 13.05 may enter, update, or access
1.5 mental health data on individuals submitted under subdivisions 4 and 5. The ability of
1.6 authorized persons to enter, update, or access data must be limited through the use of
1.7 role-based access that corresponds to the official duties or training level of the person, and
1.8 the statutory authorization that grants access for that purpose. For data submitted under
1.9 subdivisions 4 and 5 and stored in an information system not operated by a state agency,
1.10 all queries and all actions in which records are viewed, accessed, accepted or exited must
1.11 be recorded in a data audit trail. Data contained in the audit trail are public data, to the
1.12 extent that the data are not otherwise classified by law. The authorization of any person
1.13 determined to have willfully entered, updated, accessed, shared, or disseminated data in
1.14 violation of this section, or any other provision of law, must be immediately revoked and
1.15 investigated. If a person is determined to have willfully gained access to data without
1.16 explicit authorization, the person is subject to civil and criminal liability under sections
1.17 13.08 and 13.09."

1.18 Page 9, delete lines 17 to 28 and insert:

1.19 "Only persons acting consistent with section 13.05 may enter, update, or access
1.20 mental health data on individuals submitted under subdivisions 5 and 6. The ability of
1.21 authorized persons to enter, update, or access data must be limited through the use of
1.22 role-based access that corresponds to the official duties or training level of the person, and
1.23 the statutory authorization that grants access for that purpose. For data submitted under
1.24 subdivisions 5 and 6 and stored in an information system not operated by a state agency,
1.25 all queries and all actions in which records are viewed, accessed, accepted or exited must
1.26 be recorded in a data audit trail. Data contained in the audit trail are public data, to the
1.27 extent that the data are not otherwise classified by law. The authorization of any person

2.1 determined to have willfully entered, updated, accessed, shared, or disseminated data in
2.2 violation of this section, or any other provision of law, must be immediately revoked and
2.3 investigated. If a person is determined to have willfully gained access to data without
2.4 explicit authorization, the person is subject to civil and criminal liability under sections
2.5 13.08 and 13.09."
