

1.1 moves to amend H.F. No. 5, the second engrossment, as follows:

1.2 Page 1, line 24, after the second period insert: "Data must be encrypted when it is
1.3 transmitted between entities."

1.4 Page 1, after line 24, insert:

1.5 "(d) For all not public data collected pursuant to chapter 268B, the commissioner must:

1.6 (1) establish written procedures to ensure that department employees have access to the
1.7 data only to the extent their work assignment reasonably requires it, and that the data may
1.8 be accessed by those persons only for purposes described in the procedures;

1.9 (2) require that any interaction by a department employee with the data be recorded in
1.10 an audit trail; including, but not limited to, all actions in which data are entered, updated,
1.11 accessed, shared, or disseminated;

1.12 (3) arrange for an independent, annual audit of the data to determine how the data are
1.13 used and to verify compliance with this subdivision and with chapter 13. The results of the
1.14 audit are public. A report discussing the results of each audit must be provided to the chair
1.15 and ranking minority members of the committees of the house of representatives and the
1.16 senate with jurisdiction over data practices and to the Legislative Commission on Data
1.17 Practices and Personal Data Privacy no later than 30 days following completion of the
1.18 audit."
