

**Subject** Crisis stabilization services

**Authors** Rasmusson

**Analyst** Sarah Sunderman

**Date** March 2, 2021

## Summary

This bill amends section 256B.0627, subdivision 7, to require the commissioner of human services to establish a statewide per diem rate for residential crisis stabilization services provided to medical assistance enrollees. It further outlines rate and payment requirements, and requires providers to submit annual cost reports, which will inform the commissioner's annual recalculation of the statewide per diem rate.
