

I'm writing to oppose the gun control legislation currently in the house.

- [HF14](#): Universal Background Checks - this will do nothing to keep guns out of the hands of criminals. Universal background checks are unenforceable without universal gun registration. Minnesota already has background checks for retail sales and sales at gun shows. We do not need a background check for sales between private parties.
- [HF15](#): Red Flag Gun Confiscation Orders - Red flag laws violate due process. I am against red flag laws.
- [HF 396](#): Safe Storage requirements - I strongly believe in safe storage, however I also strongly oppose this bill. This bill would criminalize many safe storage methods, including keeping a loaded gun in a bedside safe. The current storage law is sufficient.

These bills will do nothing to curtail crime, and will only penalize and criminalize peaceful law abiding citizens.

thank you,

Michael Monson
