**SPECIAL NOTICE
TO
“OFF ROADERS”**

“CAUTION”.... Many of the routes we travel are roads and trails that were constructed by and paid for by the forest/logging industries. These routes are active so always use extreme caution in the vicinity of these operations. Heavy equipment and logging trucks have limited visibility.

It is our responsibility to “SHARE THE ROAD” and give them complete “Right of Way.”

It is a privilege to use these many miles of roads and trails for recreational enjoyment....Ride safe! We would like to offer special thanks to the US Forest Service, St. Louis County, the MN DNR, and the Potlatch Corporation-Mopus Corporation for providing these opportunities.
