2.23 Sec. 2. Minnesota Statutes 2014, section 256B.69, subdivision 5a, is amended to read:

2.24 Subd. 5a. **Managed care contracts.** (a) Managed care contracts under this section  
 2.25 and section 256L.12 shall be entered into or renewed on a calendar year basis. The  
 2.26 commissioner may issue separate contracts with requirements specific to services to  
 2.27 medical assistance recipients age 65 and older.

2.28 (b) A prepaid health plan providing covered health services for eligible persons  
 2.29 pursuant to chapters 256B and 256L is responsible for complying with the terms of its  
 2.30 contract with the commissioner. Requirements applicable to managed care programs  
 2.31 under chapters 256B and 256L established after the effective date of a contract with the  
 2.32 commissioner take effect when the contract is next issued or renewed.

2.33 (c) The commissioner shall withhold five percent of managed care plan payments  
 2.34 under this section and county-based purchasing plan payments under section 256B.692  
 2.35 for the prepaid medical assistance program pending completion of performance targets.

3.1 Each performance target must be quantifiable, objective, measurable, and reasonably  
3.2 attainable, except in the case of a performance target based on a federal or state law  
3.3 or rule. Criteria for assessment of each performance target must be outlined in writing  
3.4 prior to the contract effective date. Clinical or utilization performance targets and their  
3.5 related criteria must consider evidence-based research and reasonable interventions when  
3.6 available or applicable to the populations served, and must be developed with input from  
3.7 external clinical experts and stakeholders, including managed care plans, county-based  
3.8 purchasing plans, and providers. The managed care or county-based purchasing plan  
3.9 must demonstrate, to the commissioner's satisfaction, that the data submitted regarding  
3.10 attainment of the performance target is accurate. The commissioner shall periodically  
3.11 change the administrative measures used as performance targets in order to improve plan  
3.12 performance across a broader range of administrative services. The performance targets  
3.13 must include measurement of plan efforts to contain spending on health care services and  
3.14 administrative activities. The commissioner may adopt plan-specific performance targets  
3.15 that take into account factors affecting only one plan, including characteristics of the  
3.16 plan's enrollee population. The withheld funds must be returned no sooner than July of the  
3.17 following year if performance targets in the contract are achieved. The commissioner may  
3.18 exclude special demonstration projects under subdivision 23.

3.19 (d) The commissioner shall require that managed care plans use the assessment and  
3.20 authorization processes, forms, timelines, standards, documentation, and data reporting  
3.21 requirements, protocols, billing processes, and policies consistent with medical assistance  
3.22 fee-for-service or the Department of Human Services contract requirements consistent  
3.23 with medical assistance fee-for-service or the Department of Human Services contract  
3.24 requirements for all personal care assistance services under section 256B.0659.

3.25 (e) Effective for services rendered on or after January 1, 2012, the commissioner  
3.26 shall include as part of the performance targets described in paragraph (c) a reduction  
3.27 in the health plan's emergency department utilization rate for medical assistance and  
3.28 MinnesotaCare enrollees, as determined by the commissioner. For 2012, the reduction  
3.29 shall be based on the health plan's utilization in 2009. To earn the return of the withhold  
3.30 each subsequent year, the managed care plan or county-based purchasing plan must  
3.31 achieve a qualifying reduction of no less than ten percent of the plan's emergency  
3.32 department utilization rate for medical assistance and MinnesotaCare enrollees, excluding  
3.33 enrollees in programs described in subdivisions 23 and 28, compared to the previous  
3.34 measurement year until the final performance target is reached. When measuring  
3.35 performance, the commissioner must consider the difference in health risk in a managed  
3.36 care or county-based purchasing plan's membership in the baseline year compared to the

4.1 measurement year, and work with the managed care or county-based purchasing plan to  
4.2 account for differences that they agree are significant.

4.3 The withheld funds must be returned no sooner than July 1 and no later than July 31  
4.4 of the following calendar year if the managed care plan or county-based purchasing plan  
4.5 demonstrates to the satisfaction of the commissioner that a reduction in the utilization rate  
4.6 was achieved. The commissioner shall structure the withhold so that the commissioner  
4.7 returns a portion of the withheld funds in amounts commensurate with achieved reductions  
4.8 in utilization less than the targeted amount.

4.9 The withhold described in this paragraph shall continue for each consecutive contract  
4.10 period until the plan's emergency room utilization rate for state health care program  
4.11 enrollees is reduced by 25 percent of the plan's emergency room utilization rate for medical  
4.12 assistance and MinnesotaCare enrollees for calendar year 2009. Hospitals shall cooperate  
4.13 with the health plans in meeting this performance target and shall accept payment  
4.14 withholds that may be returned to the hospitals if the performance target is achieved.

4.15 (f) Effective for services rendered on or after January 1, 2012, the commissioner  
4.16 shall include as part of the performance targets described in paragraph (c) a reduction  
4.17 in the plan's hospitalization admission rate for medical assistance and MinnesotaCare  
4.18 enrollees, as determined by the commissioner. To earn the return of the withhold each  
4.19 year, the managed care plan or county-based purchasing plan must achieve a qualifying  
4.20 reduction of no less than five percent of the plan's hospital admission rate for medical  
4.21 assistance and MinnesotaCare enrollees, excluding enrollees in programs described in  
4.22 subdivisions 23 and 28, compared to the previous calendar year until the final performance  
4.23 target is reached. When measuring performance, the commissioner must consider the  
4.24 difference in health risk in a managed care or county-based purchasing plan's membership  
4.25 in the baseline year compared to the measurement year, and work with the managed care  
4.26 or county-based purchasing plan to account for differences that they agree are significant.

4.27 The withheld funds must be returned no sooner than July 1 and no later than July  
4.28 31 of the following calendar year if the managed care plan or county-based purchasing  
4.29 plan demonstrates to the satisfaction of the commissioner that this reduction in the  
4.30 hospitalization rate was achieved. The commissioner shall structure the withhold so that  
4.31 the commissioner returns a portion of the withheld funds in amounts commensurate with  
4.32 achieved reductions in utilization less than the targeted amount.

4.33 The withhold described in this paragraph shall continue until there is a 25 percent  
4.34 reduction in the hospital admission rate compared to the hospital admission rates in  
4.35 calendar year 2011, as determined by the commissioner. The hospital admissions in this  
4.36 performance target do not include the admissions applicable to the subsequent hospital

5.1 admission performance target under paragraph (g). Hospitals shall cooperate with the  
5.2 plans in meeting this performance target and shall accept payment withholds that may be  
5.3 returned to the hospitals if the performance target is achieved.

5.4 (g) Effective for services rendered on or after January 1, 2012, the commissioner  
5.5 shall include as part of the performance targets described in paragraph (c) a reduction in  
5.6 the plan's hospitalization admission rates for subsequent hospitalizations within 30 days of  
5.7 a previous hospitalization of a patient regardless of the reason, for medical assistance and  
5.8 MinnesotaCare enrollees, as determined by the commissioner. To earn the return of the  
5.9 withhold each year, the managed care plan or county-based purchasing plan must achieve  
5.10 a qualifying reduction of the subsequent hospitalization rate for medical assistance and  
5.11 MinnesotaCare enrollees, excluding enrollees in programs described in subdivisions 23  
5.12 and 28, of no less than five percent compared to the previous calendar year until the  
5.13 final performance target is reached.

5.14 The withheld funds must be returned no sooner than July 1 and no later than July  
5.15 31 of the following calendar year if the managed care plan or county-based purchasing  
5.16 plan demonstrates to the satisfaction of the commissioner that a qualifying reduction in  
5.17 the subsequent hospitalization rate was achieved. The commissioner shall structure the  
5.18 withhold so that the commissioner returns a portion of the withheld funds in amounts  
5.19 commensurate with achieved reductions in utilization less than the targeted amount.

5.20 The withhold described in this paragraph must continue for each consecutive  
5.21 contract period until the plan's subsequent hospitalization rate for medical assistance and  
5.22 MinnesotaCare enrollees, excluding enrollees in programs described in subdivisions 23  
5.23 and 28, is reduced by 25 percent of the plan's subsequent hospitalization rate for calendar  
5.24 year 2011. Hospitals shall cooperate with the plans in meeting this performance target and  
5.25 shall accept payment withholds that must be returned to the hospitals if the performance  
5.26 target is achieved.

5.27 (h) Effective for services rendered on or after January 1, 2013, through December  
5.28 31, 2013, the commissioner shall withhold 4.5 percent of managed care plan payments  
5.29 under this section and county-based purchasing plan payments under section 256B.692  
5.30 for the prepaid medical assistance program. The withheld funds must be returned no  
5.31 sooner than July 1 and no later than July 31 of the following year. The commissioner may  
5.32 exclude special demonstration projects under subdivision 23.

5.33 (i) Effective for services rendered on or after January 1, 2014, the commissioner  
5.34 shall withhold three percent of managed care plan payments under this section and  
5.35 county-based purchasing plan payments under section 256B.692 for the prepaid medical  
5.36 assistance program. The withheld funds must be returned no sooner than July 1 and

6.1 no later than July 31 of the following year. The commissioner may exclude special  
6.2 demonstration projects under subdivision 23.

6.3 (j) A managed care plan or a county-based purchasing plan under section 256B.692  
6.4 may include as admitted assets under section 62D.044 any amount withheld under this  
6.5 section that is reasonably expected to be returned.

6.6 (k) Contracts between the commissioner and a prepaid health plan are exempt from  
6.7 the set-aside and preference provisions of section 16C.16, subdivisions 6, paragraph  
6.8 (a), and 7.

6.9 (l) The return of the withhold under paragraphs (h) and (i) is not subject to the  
6.10 requirements of paragraph (c).

6.11 (m) Managed care plans and county-based purchasing plans shall maintain current  
6.12 and fully executed agreements for all subcontractors for administrative services that  
6.13 are expensed to the state's public programs. Subcontractor agreements must be in the  
6.14 form of a written instrument or electronic document containing the elements of offer,  
6.15 acceptance, and consideration, and include sufficient detail on payment terms, scope, and  
6.16 duration of the contract to verify the payment amounts and how the subcontractor services  
6.17 relate to state public programs. Upon request, the commissioner shall have access to all  
6.18 subcontractor documentation under this paragraph. Nothing in this paragraph shall allow  
6.19 release of information that is nonpublic data pursuant to section 13.02.

6.22 ~~purchasing plan~~ Administrative costs for a prepaid health plan provided paid to managed  
6.23 care plans under this section or, section 256B.692, or section 256L.12 must not exceed by  
6.24 more than five 6.6 percent ~~that prepaid health plan's or county-based purchasing plan's~~  
6.25 ~~actual calculated administrative spending for the previous calendar year as a percentage~~  
6.26 ~~of total revenue of total managed care plan payments in aggregate across all state public~~  
6.27 programs for each calendar year. The penalty for exceeding this limit must be the amount  
6.28 of administrative spending in excess of 105 percent of the actual calculated amount.  
6.29 ~~The commissioner may waive this penalty if the excess administrative spending is the~~  
6.30 ~~result of unexpected shifts in enrollment or member needs or new program requirements.~~  
6.31 The commissioner may reduce or eliminate administrative requirements to meet the  
6.32 administrative cost limit. For purposes of this paragraph, administrative costs do not  
6.33 include premium taxes paid under section 297I.05, subdivision 5, and provider surcharges  
6.34 paid under section 256.9657, subdivision 3.

7.1 (b) The following expenses are not allowable administrative expenses for rate-setting
