

1.1 ..... moves to amend H.F. No. 2389, the first engrossment, as follows:

1.2 Delete everything after the enacting clause and insert

1.3 "Section 1. **PAIN MANAGEMENT GUIDELINES.**

1.4 (a) The Health Services Policy Committee established under Minnesota Statutes, section  
1.5 256B.0625, subdivision 3c, shall evaluate and make recommendations on guidelines for  
1.6 nonpharmacologic pain management that are clinically viable, sustainable, and reduce and  
1.7 eliminate pain conditions. The guidelines must be based on best practices for the effective  
1.8 treatment of musculoskeletal pain for each health profession. Each health practitioner  
1.9 represented under paragraph (b) shall present the minimum best integrative practice  
1.10 guidelines, including, but not limited to, CPT codes and references to nonpharmacologic  
1.11 treatment options for eliminating pain within their full professional scope.

1.12 (b) In evaluating and making recommendations on guidelines, the Health Services Policy  
1.13 Committee shall consult and collaborate with the following health practitioners: acupuncture  
1.14 practitioners licensed under Minnesota Statutes, chapter 147B; chiropractors licensed under  
1.15 Minnesota Statutes, section 148.06; massage therapists regulated under Minnesota Statutes,  
1.16 chapter 146A, who demonstrate clinical experience in nonpharmacologic pain therapies;  
1.17 physical therapists licensed under Minnesota Statutes, section 148.705; physicians licensed  
1.18 under Minnesota Statutes, chapter 147A, with experience in providing primary care  
1.19 collaboratively within a multidisciplinary team of health care practitioners who employ  
1.20 nonpharmacologic pain therapies; and psychologists licensed under Minnesota Statutes,  
1.21 section 148.907.

1.22 (c) The commissioner shall report preliminary recommendations on guidelines to the  
1.23 chairs and ranking minority members of the legislative committees with jurisdiction over  
1.24 health and human services policy and finance by January 15, 2019, and shall report final  
1.25 recommendations by August 1, 2019. The final report may also contain recommendations

- 2.1 for developing and implementing a pilot program to direct patients toward effective
- 2.2 nonpharmacologic treatments and methods of managing musculoskeletal pain."
- 2.3 Amend the title accordingly
