

## **TESTIMONY FOR REDISTRICTING PUBLIC ACCESS AND INPUT**

To Rep. Mary Murphy (Committee Chair), Rep. Ginny Klevorn (Vice Chair) and Rep. Paul Torkelson (Republican Lead) and members of the committee:

I submit this written testimony for the public record for the remote hearing of the House Redistricting Committee on August 25, 2021.

I am a Minnesota voter who has volunteered many hours of my retirement doorknocking and discussing with legislators at the Capitol to support a fair redistricting process. It is critical that voters have the time and ability through a public venue to make sure new district lines reflect the changing population and interests over political advantage.

I ask our representation to allow public access and input (for a minimum of 30 days) for the map that will honor the needs and democratic ideals our district deserves.

Thank you for your time and service.

Respectfully,

Dr. Ann Jennen
