Analyst Tim Strom

Date February 24, 2021

Overview

Local optional revenue is one part of each school district's general education revenue and is provided through an equalized aid and levy. A school district's local optional revenue equals \$724 per pupil unit.

H.F. 1313 eliminates an obsolete provision.

Summary

Section	Description
---------	-------------

1	Local optional revenue.
---	--------------------------------

	Eliminates obsolete provisions calculating local optional aid and levy for fiscal year 2020 (the 2019-2020 school year).
