22.16 benefits using the process described in this subdivision.

22.17 (d) Any claim to disability must be supported by a report from the employer indicating
22.18 that there is no available work that the employee can perform with the disabling condition
22.19 and that all reasonable accommodations have been considered. Upon request of the executive
22.20 director, an employer shall provide evidence of the steps the employer has taken to attempt
22.21 to provide reasonable accommodations and continued employment to the claimant.

22.22 (e) The director shall also obtain written certification from the employer stating whether
22.23 the employment has ceased or whether the employee is on sick leave of absence because
22.24 of a disability that will prevent further service to the employer and that the employee is not
22.25 entitled to compensation from the employer.

22.26 (f) The medical adviser shall consider the reports of the physician, psychologist,
22.27 chiropractor, physician assistant, podiatrist, or nurse practitioner and any other evidence
22.28 supplied by the employee or other interested parties. If the medical adviser finds the employee
22.29 totally and permanently disabled, the adviser shall make appropriate recommendation to
22.30 the director in writing together with the date from which the employee has been totally
22.31 disabled. The director shall then determine if the disability occurred while still in the
22.32 employment of the state and constitutes a total and permanent disability as defined in section
22.33 352.01, subdivision 17.

23.1 (g) A terminated employee may apply for a disability benefit within 18 months of
23.2 termination as long as the disability occurred while in the employment of the state. The fact
23.3 that an employee is placed on leave of absence without compensation because of disability
23.4 does not bar that employee from receiving a disability benefit.

23.5 (h) Upon appeal, the board of directors may extend the disability benefit application
23.6 deadline in paragraph (g) by an additional 18 months if the terminated employee is
23.7 determined by the board of directors to have a cognitive impairment that made it unlikely
23.8 that the terminated employee understood that there was an application deadline or that the
23.9 terminated employee was able to meet the application deadline.

23.10 (i) Unless the payment of a disability benefit has terminated because the employee is
23.11 no longer totally disabled, or because the employee has reached normal retirement age as
23.12 provided in this section, the disability benefit must cease with the last payment received by
23.13 the disabled employee or which had accrued during the lifetime of the employee unless
23.14 there is a spouse surviving. In that event, the surviving spouse is entitled to the disability
23.15 benefit for the calendar month in which the disabled employee died.

23.16 Sec. 8. Minnesota Statutes 2019 Supplement, section 352.23, is amended to read:

23.17 **352.23 TERMINATION OF RIGHTS; REPAYMENT OF REFUND.**

23.18 (a) When any employee accepts a refund as provided in section 352.22, all existing
23.19 allowable service credits and all rights and benefits to which the employee was entitled
23.20 before accepting the refund terminate.

23.21 (b) Terminated service credits and rights must not again be restored until the former
23.22 employee acquires at least six months of allowable service credit after taking the last refund
23.23 and repays all refunds previously taken from the retirement fund with interest as provided
23.24 in paragraph (d). ~~If an employee repays only part of a refund or repays a refund in partial~~
23.25 ~~payments as permitted under paragraph (d), service credit will be restored in accordance~~
23.26 ~~with section 356.44.~~ An employee will not be considered as entitled to any other benefit,
23.27 including benefits for which the employee may be eligible because of the employee's original
23.28 hire date into public employment, until full repayment of all refunds has been made.

23.29 (c) Repayment of refunds entitles the employee only to credit for service covered by (1)
23.30 salary deductions; (2) payments previously made in lieu of salary deductions as permitted
23.31 under law in effect when the payment in lieu of deductions was made; (3) payments made
23.32 to obtain credit for service as permitted by laws in effect when payment was made; and (4)

24.1 allowable service previously credited while receiving temporary workers' compensation as
24.2 provided in section 352.01, subdivision 11, paragraph (a), clause (3).

24.3 (d) Payments under this section for repayment of refunds are to be paid with interest at
24.4 the applicable annual rate or rates specified in section 356.59, subdivision 2, compounded
24.5 annually, from the date the refund was taken until the date the refund is repaid. Repayment
24.6 may be made ~~in partial payments consistent with section 356.44 during employment or in~~
24.7 a lump sum during employment or up to six months after termination from service.

24.8 Sec. 9. Minnesota Statutes 2018, section 352.95, subdivision 3, is amended to read:

24.12 but not earlier than 180 days before the date the application is filed. A terminated employee
24.13 must file a written application ~~within the time frame specified under section 352.113,~~

51.17 Sec. 4. Minnesota Statutes 2018, section 354.44, subdivision 6, is amended to read:

51.18 Subd. 6. **Computation of formula program retirement annuity.** (a) The formula
51.19 retirement annuity must be computed in accordance with the applicable provisions of the
51.20 formulas stated in paragraph (b) or (d) on the basis of each member's average salary under
51.21 section 354.05, subdivision 13a, for the period of the member's formula service credit.

51.22 (b) This paragraph, in conjunction with paragraph (c), applies to a person who first
51.23 became a member of the association or a member of a pension fund listed in section 356.30,
51.24 subdivision 3, before July 1, 1989, unless paragraph (d), in conjunction with paragraph (e),
51.25 produces a higher annuity amount, in which case paragraph (d) applies. The average salary
51.26 as defined in section 354.05, subdivision 13a, multiplied by the following percentages per
51.27 year of formula service credit shall determine the amount of the annuity to which the member
51.28 qualifying therefor is entitled for service rendered before July 1, 2006:

	Period	Coordinated Member	Basic Member
51.30 51.31	Each year of service during first ten	1.2 percent per year	2.2 percent per year
51.32 51.33	Each year of service thereafter	1.7 percent per year	2.7 percent per year

52.1 For service rendered on or after July 1, 2006, by a member other than a member who
 52.2 was a member of the former Duluth Teachers Retirement Fund Association between January
 52.3 1, 2006, and June 30, 2015, and for service rendered on or after July 1, 2013, by a member
 52.4 who was a member of the former Duluth Teachers Retirement Fund Association between
 52.5 January 1, 2013, and June 30, 2015, the average salary as defined in section 354.05,
 52.6 subdivision 13a, multiplied by the following percentages per year of service credit, determines
 52.7 the amount the annuity to which the member qualifying therefor is entitled:

52.8	Period	Coordinated Member	Basic Member
52.9	Each year of service	1.4 percent per year	2.2 percent per year
52.10	during first ten		
52.11	Each year of service after	1.9 percent per year	2.7 percent per year
52.12	ten years of service		

52.13 (c)(1) This paragraph applies only to a person who first became a member of the
 52.14 association or a member of a pension fund listed in section 356.30, subdivision 3, before
 52.15 July 1, 1989, and whose annuity is higher when calculated under paragraph (b), in conjunction
 52.16 with this paragraph than when calculated under paragraph (d), in conjunction with paragraph
 52.17 (e).

52.18 (2) Where any member retires prior to normal retirement age under a formula annuity,
 52.19 the member shall be paid a retirement annuity in an amount equal to the normal annuity
 52.20 provided in paragraph (b) reduced by one-quarter of one percent for each month that the
 52.21 member is under normal retirement age at the time of retirement except that for any member
 52.22 who has 30 or more years of allowable service credit, the reduction shall be applied only
 52.23 for each month that the member is under age 62.

52.24 (3) Any member whose attained age plus credited allowable service totals 90 years is
 52.25 entitled, upon application, to a retirement annuity in an amount equal to the normal annuity
 52.26 provided in paragraph (b), without any reduction by reason of early retirement.

52.27 (d) This paragraph applies to a member who has become at least 55 years old and first
 52.28 became a member of the association after June 30, 1989, and to any other member who has
 52.29 become at least 55 years old and whose annuity amount when calculated under this paragraph
 52.30 and in conjunction with paragraph (e), is higher than it is when calculated under paragraph
 52.31 (b), in conjunction with paragraph (c).

52.32 (1) For a basic member, the average salary, as defined in section 354.05, subdivision
 52.33 13a, multiplied by 2.7 percent for each year of service for a basic member determines the
 52.34 amount of the retirement annuity to which the basic member is entitled. The annuity of a
 52.35 basic member who was a member of the former Minneapolis Teachers Retirement Fund

53.1 Association as of June 30, 2006, must be determined according to the annuity formula under
53.2 the articles of incorporation of the former Minneapolis Teachers Retirement Fund Association
53.3 in effect as of that date.

53.4 (2) For a coordinated member, the average salary, as defined in section 354.05,
53.5 subdivision 13a, multiplied by 1.7 percent for each year of service rendered before July 1,
53.6 2006, and by 1.9 percent for each year of service rendered on or after July 1, 2006, for a
53.7 member other than a member who was a member of the former Duluth Teachers Retirement
53.8 Fund Association between January 1, 2006, and June 30, 2015, and by 1.9 percent for each
53.9 year of service rendered on or after July 1, 2013, for a member of the former Duluth Teachers
53.10 Retirement Fund Association between January 1, 2013, and June 30, 2015, determines the
53.11 amount of the retirement annuity to which the coordinated member is entitled.

53.12 ~~(e) This paragraph applies to a member who has become at least 55 years old and first~~
53.13 ~~becomes a member of the association after June 30, 1989, and to any other member who~~
53.14 ~~has become at least 55 years old and whose annuity is higher when calculated under~~
53.15 ~~paragraph (d) in conjunction with this paragraph than when calculated under paragraph (b),~~
53.16 ~~in conjunction with paragraph (c). An employee who retires under the formula annuity~~
53.17 ~~before the normal retirement age shall be paid the normal annuity provided in paragraph~~
53.18 ~~(d) reduced so that the reduced annuity is the actuarial equivalent of the annuity that would~~
53.19 ~~be payable to the employee if the employee deferred receipt of the annuity and the annuity~~
53.20 ~~amount were augmented at an annual rate of three percent compounded annually from the~~
53.21 ~~day the annuity begins to accrue until the normal retirement age if the employee became~~
53.22 ~~an employee before July 1, 2006, and at 2.5 percent compounded annually if the employee~~
53.23 ~~becomes an employee after June 30, 2006. Except in regards to section 354.46, this paragraph~~
53.24 ~~remains in effect until June 30, 2015.~~

53.25 ~~(f) Until June 30, 2019, this paragraph applies to a member who has become at least 55~~
53.26 ~~years old and first becomes a member of the association after June 30, 1989, and to any~~
53.27 ~~other member who has become at least 55 years old and whose annuity is higher when~~
53.28 ~~calculated under paragraph (d) in conjunction with this paragraph than when calculated~~
53.29 ~~under paragraph (b) in conjunction with paragraph (c). An employee who retires under the~~
53.30 ~~formula annuity before the normal retirement age is entitled to receive the normal annuity~~
53.31 ~~provided in paragraph (d), reduced as described in clause (1) or (2), as applicable.~~

53.32 (1) For a member who is at least age 62 and has at least 30 years of service, the annuity
53.33 shall be reduced by an early reduction factor of six percent for each year that the member's
53.34 age of retirement precedes normal retirement age. The resulting reduced annuity shall be
53.35 further adjusted to take into account the increase in the monthly amount that would have

54.1 ~~occurred had the member retired early and deferred receipt of the annuity until normal~~
54.2 ~~retirement age and the annuity was augmented during the deferral period at 2.5 percent, if~~
54.3 ~~the member commenced employment after June 30, 2006, or at three percent, if the member~~
54.4 ~~commenced employment before July 1, 2006, compounded annually.~~

54.5 (2) ~~For a member who has not attained age 62 or has fewer than 30 years of service, the~~
54.6 ~~annuity shall be reduced for each year that the member's age of retirement precedes the~~
54.7 ~~normal retirement age by the following early reduction factors:~~

54.8 (i) ~~for the period during which the member is age 55 through age 59, the factor is four~~
54.9 ~~percent; and~~

54.10 (ii) ~~for the period during which the member is age 60 but not yet normal retirement age,~~
54.11 ~~the factor is seven percent.~~

54.12 ~~The resulting reduced annuity shall be further adjusted to take into account the increase~~
54.13 ~~in the monthly amount that would have occurred had the member retired early and deferred~~
54.14 ~~receipt of the annuity until normal retirement age and the annuity was augmented during~~
54.15 ~~the deferral period at 2.5 percent, if the member commenced employment after June 30,~~
54.16 ~~2006, or at three percent, if the member commenced employment before July 1, 2006,~~
54.17 ~~compounded annually.~~

54.18 (g) ~~For members who retire on or after July 1, 2019, (e)~~ This paragraph applies to a
54.19 person who has become at least 55 years old and first becomes a member of the association
54.20 after June 30, 1989, and to any other member who has become at least 55 years old and
54.21 whose annuity is higher when calculated under paragraph (d) in conjunction with this
54.22 paragraph than when calculated under paragraph (b) in conjunction with paragraph (c). An
54.23 employee who retires under the formula annuity before the normal retirement age is entitled
54.24 to receive the normal annuity provided in paragraph (d), reduced as described in clause (1)
54.25 or (2), as applicable.

54.26 (1) For a member who is at least age 62 and has at least 30 years of service, the annuity
54.27 shall be reduced by an early reduction factor of six percent for each year that the member's
54.28 age of retirement precedes the normal retirement age. The resulting reduced annuity shall
54.29 be further adjusted to take into account the increase in the monthly amount that would have
54.30 occurred had the member retired early and deferred receipt of the annuity until normal
54.31 retirement age and the annuity was augmented during the deferral period at 2.5 percent, if
54.32 the member commenced employment after June 30, 2006, or at three percent, if the member
54.33 commenced employment before July 1, 2006, compounded annually.

55.1 (2) For a member who has not attained age 62 or has fewer than 30 years of service, the
55.2 annuity shall be reduced for each year that the member's age of retirement precedes normal
55.3 retirement age by the following early reduction factors:

55.4 (i) for the period during which the member is age 55 through age ~~59~~ 58, the factor is
55.5 four percent; and

55.6 (ii) for the period during which the member is at least age 60 ~~60~~ 59 but not yet normal
55.7 retirement age, the factor is seven percent.

55.8 The resulting annuity shall be further adjusted to take into account the increase in the
55.9 monthly amount that would have occurred had the member retired early and deferred receipt
55.10 of the annuity until normal retirement age and the annuity was augmented during the deferral
55.11 period at the applicable annual rate, compounded annually. The applicable annual rate is
55.12 the rate in effect for the month that includes the member's effective date of retirement and
55.13 shall be considered as fixed for the member for the period until the member reaches normal
55.14 retirement age. The applicable annual rate for June 2019 is 2.5 percent, if the member
55.15 commenced employment after June 30, 2006, or three percent, if the member commenced
55.16 employment before July 1, 2006, compounded annually, and decreases each month beginning
55.17 July 2019 in equal monthly increments over the five-year period that begins July 1, 2019,
55.18 and ends June 30, 2024, to zero percent effective for July 2024 and thereafter.

55.19 After June 30, 2024, the reduced annuity commencing before normal retirement age
55.20 under this clause shall not take into account any augmentation.

55.21 ~~(h) After June 30, 2015, and before July 1, 2019, for a person who would have a reduced~~
55.22 ~~retirement annuity under either paragraph (e) or (f) if they were applicable, the employee~~
55.23 ~~is entitled to receive a reduced annuity which must be calculated using a blended reduction~~
55.24 ~~factor augmented monthly by 1/60 of the difference between the reduction required under~~
55.25 ~~paragraph (e) and the reduction required under paragraph (f).~~

55.26 ~~(i)~~ (f) No retirement annuity is payable to a former employee with a salary that exceeds
55.27 95 percent of the governor's salary unless and until the salary figures used in computing the
55.28 highest five successive years average salary under paragraph (a) have been audited by the
55.29 Teachers Retirement Association and determined by the executive director to comply with
55.30 the requirements and limitations of section 354.05, subdivisions 35 and 35a.

68.35 (e) For a defined benefit relief association in which the governing bylaws provide for a
68.36 monthly benefit service pension as an alternative form of service pension payment to a
68.37 lump-sum service pension, the maximum service pension amount for each pension payment
68.38 type must be determined using the applicable table contained in this subdivision.

69.1 (f) If a defined benefit relief association establishes a service pension in compliance
 69.2 with the applicable maximum contained in paragraph (c) or (d) and the minimum average
 69.3 amount of available financing per active covered firefighter is subsequently reduced because
 69.4 of a reduction in fire state aid or because of an increase in the number of active firefighters,
 69.5 the relief association may continue to provide the prior service pension amount specified
 69.6 in its bylaws, but may not increase the service pension amount until the minimum average
 69.7 amount of available financing per firefighter under the table in paragraph (c) or (d), whichever
 69.8 applies, permits.

69.9 (g) No defined benefit relief association is authorized to provide a service pension in an
 69.10 amount greater than the largest applicable flexible service pension maximum amount even
 69.11 if the amount of available financing per firefighter is greater than the financing amount
 69.12 associated with the largest applicable flexible service pension maximum.

69.13 (h) The method of calculating service pensions must be applied uniformly for all years
 69.14 of active service. Credit must be given for all years of active service except for caps on
 69.15 service credit if so provided in the bylaws of the relief association.

69.16 **EFFECTIVE DATE.** This section is effective January 1, 2021.

69.17 Sec. 2. **REPEALER.**

69.18 Laws 2018, chapter 211, article 14, section 29, is repealed.

69.19 **EFFECTIVE DATE.** This section is effective January 1, 2021.

69.20 **ARTICLE 11**

69.21 **VOLUNTEER FIREFIGHTER RELIEF ASSOCIATIONS** 69.22 **ALLOCATION OF FIRE STATE AID**

69.23 Section 1. Minnesota Statutes 2019 Supplement, section 477B.04, subdivision 3, is amended
 69.24 to read:

69.25 Subd. 3. **Deposit of state aid.** (a) If the municipality or the independent nonprofit
 69.26 firefighting corporation is covered by the voluntary statewide volunteer firefighter retirement
 69.27 plan under chapter 353G, the executive director of the Public Employees Retirement
 69.28 Association must credit the fire state aid against future municipal contribution requirements
 69.29 under section 353G.08 and must notify the municipality or the independent nonprofit
 69.30 firefighting corporation of the fire state aid so credited at least annually.

69.31 (b) If (1) the municipality or the independent nonprofit firefighting corporation is not
 69.32 covered by the voluntary statewide volunteer firefighter retirement plan; and is affiliated

70.1 with a duly incorporated firefighters relief association, (2) the relief association has filed a
 70.2 financial report with the municipality pursuant to section 424A.014, subdivision 1 or 2,
 70.3 whichever applies, and (3) there is not an aid allocation agreement under section 477B.042
 70.4 in effect, then the treasurer of the municipality must, within 30 days after receipt, transmit
 70.5 the fire state aid to the treasurer of the ~~duly incorporated firefighters' relief association if~~
 70.6 ~~there is one organized and the association has filed a financial report with the municipality~~
 70.7 ~~pursuant to section 424A.014, subdivision 1 or 2, whichever applies.~~ relief association. If
 70.8 clauses (1) and (2) are satisfied and there is an aid allocation agreement under section
 70.9 477B.042 in effect, then fire state aid must be transmitted as described in that section. If
 70.10 the relief association has not filed a financial report with the municipality, then, regardless
 70.11 of whether an aid allocation agreement is in effect, the treasurer of the municipality must
 70.12 delay transmission of the fire state aid to the relief association until the complete financial
 70.13 report is filed.

70.14 (c) The treasurer of the municipality must deposit the fire state aid money in the municipal
 70.15 treasury if (1) the municipality or independent nonprofit firefighting corporation is not
 70.16 covered by the voluntary statewide volunteer firefighter retirement plan, (2) there is no
 70.17 relief association organized, (3) the association has dissolved, or (4) the association has
 70.18 been removed as trustees of state aid. The money may be disbursed from the municipal
 70.19 treasury only for the purposes and in the manner set forth in section 424A.08 or for the
 70.20 payment of the employer contribution requirement with respect to firefighters covered by
 70.21 the public employees police and fire retirement plan under section 353.65, subdivision 3.

70.22 **EFFECTIVE DATE.** This section is effective for aids payable in 2021 and thereafter.

70.23 Sec. 2. **[477B.042] ALLOCATION OF FIRE STATE AID FOR RELIEF**
 70.24 **ASSOCIATIONS.**

70.25 Subdivision 1. **Applicability.** (a) This section applies to fire state aid payable each year
 70.26 under section 477B.04, subdivision 3, paragraph (b), if, during the prior year, the municipality
 70.27 or independent nonprofit firefighting corporation:

70.28 (1) employs one or more volunteer firefighters covered by the relief association affiliated
 70.29 with the municipality or independent nonprofit firefighting corporation under chapter 424A;
 70.30 and

70.31 (2) contributes on behalf of one or more firefighters to the public employees police and
 70.32 fire retirement plan under chapter 353.

71.1 (b) This section does not apply to police and firefighter supplemental state aid under
71.2 section 423A.022.

71.3 Subd. 2. **Allocation of fire state aid.** (a) The municipality or independent nonprofit
71.4 firefighting corporation and the affiliated relief association may agree to allocate fire state
71.5 aid between the relief association and the public employees police and fire retirement plan
71.6 by entering into an aid allocation agreement described in subdivision 3.

71.7 (b) If an aid allocation agreement has been filed with the state auditor and is in effect,
71.8 then within 30 days of receipt of the fire state aid the treasurer of the municipality must
71.9 transmit to the relief association the amount of the fire state aid as determined in the aid
71.10 allocation agreement. If a municipality receives fire state aid on behalf of an independent
71.11 nonprofit firefighting corporation, the municipality must also transmit any remaining fire
71.12 state aid to the independent nonprofit firefighting corporation.

71.13 (c) The fire state aid allocated to the municipality or independent nonprofit firefighting
71.14 corporation may only be disbursed for the payment of employer contributions for firefighters
71.15 covered by the public employees police and fire retirement plan or for contributions to the
71.16 relief association and must be disbursed within 18 months of receipt by the municipality or
71.17 independent nonprofit firefighting corporation.

71.18 Subd. 3. **Aid allocation agreement.** (a) An aid allocation agreement is a written
71.19 agreement that meets the following requirements:

71.20 (1) the agreement specifies:

71.21 (i) the percentage of the fire state aid, a dollar amount, or a formula for determining the
71.22 amount of fire state aid that will be transmitted to the relief association annually; and

71.23 (ii) the period of time covered by the agreement and the date on which the agreement
71.24 expires; and

71.25 (2) the agreement has been signed by:

71.26 (i) an individual authorized to sign on behalf of the municipality or independent nonprofit
71.27 firefighting corporation; and

71.28 (ii) the president of the relief association or its representative duly appointed for the
71.29 purposes of this section.

71.30 (b) An aid allocation agreement is not effective unless filed with the state auditor under
71.31 subdivision 5.

72.1 Subd. 4. **Modifying or terminating the aid allocation agreement.** (a) The parties to
72.2 the agreement may modify or terminate the aid allocation agreement, provided that the
72.3 modification or termination is in writing and signed by the parties.

72.4 (b) If the amount of fire state aid paid to a municipality or independent nonprofit
72.5 firefighting corporation by the commissioner changes by an amount greater than 50 percent
72.6 of the prior year's amount, then the aid allocation agreement may be terminated by either
72.7 party to the agreement by providing written notice of termination to the other party.

72.8 (c) Unless the aid allocation agreement provides otherwise, termination is effective for
72.9 the fire state aids payable in the calendar year after notice of termination has been given.

72.10 Subd. 5. **Filing requirement and remedy.** (a) By March 1 of each year in which fire
72.11 state aid is to be allocated, the municipality or independent nonprofit firefighting corporation
72.12 must file a copy of the aid allocation agreement or modified agreement with the state auditor.

72.13 (b) If an aid allocation agreement terminates by its own terms or for any other reason,
72.14 the municipality or independent nonprofit firefighting corporation must notify the Office
72.15 of the State Auditor in writing within 30 days after the termination date.

72.16 (c) If the municipality or independent nonprofit firefighting corporation fails to file by
72.17 the deadline in paragraph (a), fire state aid payments must not be allocated, but must be
72.18 transmitted to the relief association until the agreement has been filed. If the state auditor
72.19 determines that an aid allocation agreement does not meet the requirements of subdivision
72.20 3, any future fire state aid payments must be transmitted to the relief association by the
72.21 municipality until the municipality files with the state auditor an aid allocation agreement
72.22 that satisfies the requirements under subdivision 3.

72.23 **EFFECTIVE DATE.** This section is effective for aids payable in 2021 and thereafter.

72.24 Sec. 3. **GRANDFATHERING EXISTING AID ALLOCATION AGREEMENTS.**

72.25 (a) Notwithstanding Minnesota Statutes, section 477B.042, subdivision 3, a written
72.26 document is an aid allocation agreement for the purposes of Minnesota Statutes, sections
72.27 477B.04, subdivision 3, and 477B.042, and remains effective as an aid allocation agreement
72.28 until the document ceases to be effective according to its own terms or is modified, if the
72.29 document:

72.30 (1) determines the amount of fire state aid that will be transmitted by a municipality to
72.31 its affiliated fire relief association;

73.1 (2) is effective under existing law on the day before the effective date of this section;
73.2 and

73.3 (3) provision of a relief association's bylaws that was jointly approved by the relief
73.4 association and its affiliated municipality or a court-ordered settlement agreement entered
73.5 into by a relief association and its affiliated municipality.

73.6 **EFFECTIVE DATE.** This section is effective the day following final enactment.

73.7 **Sec. 4. CITY OF EAGAN; ALLOCATION OF FIRE STATE AID.**

73.8 Subdivision 1. **Definitions.** (a) For purposes of this section, the terms defined in this
73.9 subdivision have the meanings given them unless the context clearly indicates otherwise.

73.10 (b) "Agreement" means an agreement or contract between the city of Eagan and the
73.11 Eagan Firefighters Relief Association which specifies an amount of money that the city will
73.12 contribute to the relief association annually and permits the city to deposit fire state aid in
73.13 the city treasury.

73.14 (c) "Fire state aid" means fire state aid paid to the city of Eagan by the commissioner of
73.15 revenue under Minnesota Statutes, section 477B.04, and does not include supplemental aid.

73.16 (d) "Relief association" means the Eagan Firefighters Relief Association.

73.17 (e) "Supplemental aid" means police and firefighter retirement supplemental state aid
73.18 under Minnesota Statutes, section 423A.022.

73.20 contrary, if an agreement is in effect, then for the term of the agreement the city of Eagan
73.21 is not required to transmit fire state aid to the relief association except as provided for in
73.22 this section. Following receipt from the commissioner of revenue of fire state aid, the city
73.23 of Eagan must:

73.24 (1) disburse fire state aid only as provided in clause (2) or for the payment of the employer
73.25 contribution requirement with respect to firefighters covered by the public employees police
73.26 and fire retirement plan under Minnesota Statutes, section 353.65; and

73.27 (2) by the date required under the agreement, transmit to the relief association no less
73.28 than the amount required under the agreement.

73.29 (b) The city of Eagan must transmit any supplemental aid it receives to the relief
73.30 association as required under Minnesota Statutes, section 423A.022. Supplemental aid
73.31 transmitted to the relief association may be credited against the amount the city is obligated
73.32 to pay under the agreement.

74.1 (c) If any fire state aid is received by the city of Eagan and an agreement is not in effect,
74.2 then the fire state aid must be transmitted to the relief association in a manner consistent
74.3 with Minnesota Statutes, section 477B.04, and other applicable law.

74.4 Subd. 3. **Expiration.** This section expires June 30, 2022.

74.5 **EFFECTIVE DATE.** This section is effective the day following final enactment and
74.6 applies retroactively from January 1, 2020.

77.25 Subdivision 1. **Application.** (a) Notwithstanding any laws to the contrary, this section
77.26 applies to:

77.27 (1) the termination of a retirement plan established and administered by a relief
77.28 association, whether or not the relief association is also dissolved or eliminated; and

78.1 (2) the dissolution of a relief association that is not consolidating with another relief
78.2 association under sections 424B.01 to 424B.10.

78.3 This section does not apply to the dissolution of a relief association or the termination
78.4 of a retirement plan that occurs due to the change in retirement coverage from a retirement
78.5 plan administered by a relief association to the Public Employees Retirement Association
78.6 statewide volunteer firefighter plan under section 353G.06.

78.7 (b) To terminate a retirement plan, the board of trustees must comply with subdivisions
78.8 3, 5 to 11 and, if desired, subdivision 4.

78.9 (c) To dissolve a relief association, the board of trustees of the relief association must:

78.10 (1) terminate the retirement plan in accordance with this section;

78.11 (2) determine all legal obligations of the special and general funds of the relief association,
78.12 as required by subdivision 5;

78.13 (3) take the actions required by subdivision 12; and

78.14 (4) comply with the requirements governing dissolution of nonprofit corporations under
78.15 chapter 317A.

78.16 (d) A relief association that terminates its retirement plan must liquidate its special fund
78.17 as provided in subdivision 8, but need not liquidate its general fund if the relief association
78.18 is not being dissolved.

78.19 Subd. 2. **Involuntary dissolution and termination.** (a) A relief association is dissolved
78.20 and the retirement plan administered by the relief association is terminated automatically
78.21 if:

78.22 (1) the fire department affiliated with a relief association is dissolved by action of the
78.23 governing body of the municipality in which the fire department is located or by the
78.24 governing body of the independent nonprofit firefighting corporation, whichever applies;
78.25 or

78.26 (2) the fire department affiliated with a relief association has terminated the employment
78.27 or services of all active firefighters covered by the relief association.

78.28 (b) An involuntary termination of a relief association under this subdivision is effective
78.29 on the December 31 that is at least eight months after the date on which the fire department
78.30 is dissolved or the termination of employment or services of all active firefighters occurs.

79.1 (c) The retirement plan administered by a relief association is terminated automatically
79.2 if the relief association is dissolved, effective on the date of the dissolution of the relief
79.3 association.

79.4 Subd. 3. **Retirement plan termination date, full vesting, and forfeitures.** (a) Unless
79.5 subdivision 2 applies, the effective date of the termination of a retirement plan is the effective
79.6 date of the dissolution of the relief association or, if the relief association is not being
79.7 dissolved, the end of the calendar year in which the employment or services of all active
79.8 firefighters has been terminated, unless the board of trustees of the relief association approves
79.9 a different termination date.

79.10 (b) As of the earlier of the retirement plan termination date or the date on which the
79.11 employment or services of all active firefighters have been terminated, each member becomes
79.12 fully (100 percent) vested in the member's retirement benefit under the retirement plan,
79.13 notwithstanding any bylaws or laws to the contrary, except as provided in paragraph (c).

79.14 (c) If the relief association is a defined contribution relief association, the account of
79.15 each member who becomes 100 percent vested under paragraph (b) shall include an allocation
79.16 of any forfeiture that is required, under the bylaws of the relief association, to occur on or
79.17 as of the end of the calendar year during which the termination of the retirement plan is
79.18 effective, if the member is entitled to an allocation of forfeitures under the bylaws. Any
79.19 account so forfeited shall not be included in the retirement benefits that become 100 percent
79.20 vested under paragraph (b).

79.21 Subd. 4. **Benefit increase.** (a) Notwithstanding section 424A.02, subdivision 10, the
79.22 board of trustees of a relief association may increase the benefit amount under a defined
79.23 benefit relief association without the consent of the affiliated municipality or independent
79.24 nonprofit firefighting corporation, as provided in this subdivision.

79.25 (b) If the retirement plan being terminated is a defined benefit plan, the board of trustees
79.26 may approve an amendment to the bylaws of the relief association to increase the lump-sum
79.27 or monthly pension amount or both the lump and monthly pension amount, if the relief
79.28 association offers both, up to 125 percent of the largest maximum lump-sum service pension
79.29 amount or service pension amount payable per month in effect under paragraphs (d) or (c),
79.30 respectively, of section 424A.02, subdivision 3, without regard to the relief association's
79.31 minimum average amount of available financing per firefighter. The amount by which the
79.32 lump-sum or monthly pension amount is increased must not cause the liabilities of the
79.33 retirement plan to exceed the value of the assets, after taking into account full vesting as
79.34 required under subdivision 3 and any administrative expenses.

80.1 (c) The board of trustees shall specify whether the benefit increase will apply to only
80.2 members active as of the date of the termination of the retirement plan or whether the benefit
80.3 increase will apply to all members, including members who are not active as of the plan
80.4 termination date.

80.5 Subd. 5. **Determination of assets and liabilities.** (a) The board of trustees shall determine
80.6 the following as of the date of termination of the retirement plan:

80.7 (1) the fair market value of the assets of the special fund;

80.8 (2) the present value of each member's accrued benefit, taking into account full vesting
80.9 under subdivision 3 and any increased lump-sum or monthly benefit level approved under
80.10 subdivision 4;

80.11 (3) the present value of any benefit remaining to be paid to each retiree in pay status, if
80.12 any; and

80.13 (4) administrative expenses incurred or reasonably anticipated to be incurred through
80.14 the date on which all retirement benefits have been distributed or transferred or, if later, the
80.15 effective date of the dissolution of the relief association.

80.16 (b) The board of trustees shall compile a schedule that includes the following information:

80.17 (1) the name of each member and retiree in pay status to whom a benefit or pension is
80.18 or will be owed;

80.19 (2) the name of each other benefit recipient to whom a benefit or pension is or will be
80.20 owed; and

80.21 (3) for each individual described in clauses (1) and (2), the amount of the benefit or
80.22 pension to which the individual is entitled under the bylaws of the relief association, taking
80.23 into account the changes required or permitted by this section, the corresponding number
80.24 of years of service on which the benefit or pension is based, and the earliest date on which
80.25 the benefit or pension would have been payable under the bylaws of the relief association.

80.26 (c) If the relief association is dissolving, in addition to the determination under paragraph
80.27 (a) for the retirement plan, the board of trustees shall determine, as of the effective date of
80.28 the dissolution of the relief association, the legal obligations of the general fund of the relief
80.29 association.

80.30 Subd. 6. **Investment of assets while termination is pending.** To minimize the risk of
80.31 investment losses between the termination date and the date benefits will begin to be

81.1 distributed, the board of trustees shall invest the assets in the special fund in low-risk
81.2 investments, to the extent consistent with its fiduciary duty under chapter 356A.

81.3 Subd. 7. **Allocation of surplus.** (a) If the retirement plan is a defined benefit plan and
81.4 if, after completing the determination of assets, liabilities, and administrative expenses under
81.5 subdivision 5, there is a surplus, the board of trustees shall transfer to the affiliated
81.6 municipality the lesser of (1) the amount of the surplus, or (2) the sum of all required
81.7 contributions, without investment earnings or interest thereon, made by the municipality to
81.8 the relief association during the year in which the termination of the retirement plan occurs
81.9 or during the preceding nine years.

81.10 (b) If the affiliated municipality did not make any required contributions to the relief
81.11 association during the current or preceding nine years or if, after the transfer described in
81.12 paragraph (a), there is surplus remaining, the relief association and the municipality will
81.13 mutually agree on an allocation between them of the remaining surplus.

81.14 (c) If, within 180 days of the date of termination of the retirement plan, the municipality
81.15 and relief association have not reached an agreement on the allocation of the surplus under
81.16 paragraph (b), then 50 percent of the surplus shall be retained by the relief association and
81.17 50 percent of the surplus shall be transferred to the affiliated municipality.

81.18 (d) Any surplus retained by the relief association under paragraph (c) shall be allocated
81.19 among all members eligible to share in the surplus in the same proportion that the present
81.20 value of the accrued benefit for each eligible member bears to the total present value of the
81.21 accrued benefits of all members eligible to share in the surplus, and each eligible member's
81.22 benefit, as determined under subdivision 5, paragraph (a), clause (2), shall be increased by
81.23 the member's share of the surplus. The board of trustees shall determine eligibility to share
81.24 in the surplus, which may include any of the following, in addition to firefighters active as
81.25 of the date on which members became 100 percent vested:

81.26 (1) inactive firefighters;

81.27 (2) former firefighters with a deferred benefit under the retirement plan; and

81.28 (3) retirees in pay status and any other firefighters who, within the last three years or
81.29 such other number of years as determined by the board of trustees, separated from active
81.30 service and (i) received their retirement benefit or (ii) began to receive distribution of a
81.31 retirement benefit in installments or as a monthly pension.

82.1 If the board of trustees decides to include the individuals described in clause (3) in the
82.2 allocation of the surplus, the board of trustees shall modify the method for allocating the
82.3 surplus to take into account such individuals.

82.4 (e) Any amount of surplus transferred to the affiliated municipality under this subdivision
82.5 may only be used for the purposes described in section 424A.08, paragraph (a) or (b).

82.6 **Subd. 8. Immediate distribution of retirement benefits and payment of all other**
82.7 **obligations.** (a) The board of trustees shall liquidate the assets of the special fund and pay
82.8 retirement benefits and administrative expenses under the retirement plan within 210 days
82.9 after the effective date of the termination of the retirement plan.

82.10 (b) If the retirement plan is a defined benefit plan that pays lump-sum benefits or a
82.11 defined contribution plan, without regard to whether the member has attained age 50, each
82.12 member and other benefit recipient shall be permitted to elect an immediate distribution or
82.13 a direct rollover of the member's benefit to an eligible retirement plan as permitted under
82.14 section 356.635, subdivisions 3 to 7, if the benefit is an eligible rollover distribution as
82.15 defined in section 356.635, subdivisions 4 and 5.

82.16 (c) If the retirement plan is a defined benefit plan that pays monthly pension benefits,
82.17 the board of trustees shall, at the election of the member or other benefit recipient, purchase
82.18 an annuity contract under section 424A.015, subdivision 3, naming the member or other
82.19 benefit recipient, as applicable, as the insured or distribute a lump sum amount that is equal
82.20 to the present value of the monthly pension benefits to which the member or other benefit
82.21 recipient is entitled. If an annuity is elected by the member or other benefit recipient, the
82.22 annuity shall provide for commencement at a date elected by the insured, to be paid as an
82.23 annuity for the life of the insured. Legal title to the annuity contract shall be transferred to
82.24 the insured. If a lump sum is elected, the option under paragraph (b) to take an immediate
82.25 distribution or a direct rollover shall apply.

82.26 (d) The board of trustees shall complete the distribution of all assets of the special fund
82.27 by making any remaining distributions or transfers as required under subdivision 9 on behalf
82.28 of members or other benefit recipients who cannot be located or are unresponsive and paying
82.29 any remaining administrative expenses related to the termination of the plan.

83.4 is a defined benefit plan that pays a monthly annuity.

83.5 (b) "Individual retirement account" means an account that satisfies the requirements of
83.6 section 408(a) of the Internal Revenue Code which is established by an officer of the relief
83.7 association in the name of the member or other benefit recipient at a federally-insured
83.8 financial institution.

83.9 (c) If the board of trustees cannot locate a member or other benefit recipient or receives
83.10 no response to an offer to distribute a retirement benefit, the board of trustees shall make a
83.11 diligent effort to obtain a current address or other contact information as follows:

83.12 (1) send a notice to the address on file for the member or other benefit recipient using
83.13 certified mail;

83.14 (2) check with the Minnesota State Fire Department Association, the municipality, and

83.16 (3) check with the member's designated beneficiary on file with the relief association;
83.17 and

83.18 (4) use one or more of the Internet search tools that are free of charge.

83.19 (d) If the board of trustees is unable to locate the member or other benefit recipient after
83.20 taking actions described in paragraph (c), the board of trustees shall transfer the retirement
83.21 benefit to an individual retirement account or consider the retirement benefit abandoned
83.22 and deposit funds in the amount of the retirement benefit with the commissioner of commerce
83.23 under chapter 345. The board of trustees may deposit a retirement benefit with the
83.24 commissioner of commerce under chapter 345, notwithstanding any laws to the contrary,
83.25 including Minnesota Statutes, section 345.381.

83.26 Subd. 10. **Supplemental benefits.** Within 60 days after the distribution of benefits under
83.27 subdivision 8, the municipality or independent nonprofit firefighting corporation with which
83.28 the fire department is affiliated shall pay supplemental benefits under section 424A.10 to
83.29 each member and survivor who satisfies the requirements of section 424A.10, subdivision
83.30 2, if the member is at least age 50. The commissioner of revenue shall reimburse the
83.31 municipality or independent nonprofit firefighting corporation for all supplemental benefits
83.32 paid as provided in section 424A.10, subdivision 3.

84.1 Subd. 11. **Notice of retirement plan termination.** The board of trustees shall notify
84.2 the commissioner of revenue and the state auditor that the retirement plan is being terminated

84.4 provide any information the commissioner or state auditor may require.

84.5 Subd. 12. **Wind-up of the relief association.** The relief association is dissolved effective
84.6 on the date that the board of trustees completes the following actions:

84.18 **Sec. 17. EFFECTIVE DATE.**

84.19 Sections 1 to 16 are effective the day following final enactment.

85.12 vested in their accounts in the retirement plan effective on December 31, 2019, or, if earlier,

85.17 (d) The account of each volunteer firefighter who becomes fully vested under paragraph
85.18 (c) shall include an allocation of any forfeiture that is required to occur on December 31,
85.19 2019, if the volunteer firefighter is entitled to such allocation under the bylaws of the relief

99.5 (b) In no event may the value of a member's account in the defined contribution plan be
