## Overview

This bill modifies a district's transportation sparsity revenue, and establishes a pupil transportation working group.

## Summary

Section	Description
1	<b>Pupil transportation adjustment.</b> Modifies a district's transportation sparsity revenue by a percentage to be determined.
2	<b>Pupil transportation working group.</b> Establishes a working group to review pupil transportation and transportation efficiencies, consult with stakeholders, and recommend policy and formula changes to the legislature. Requires the working group to consider a ten-year strategic plan to make pupil transportation funding more fair. Encourages the 2020 legislature to convene a legislative study group to review the working group's recommendations and ten-year strategic plan.
