Overview

Minnesota students may attend public schools through a variety of options. Some students who are not experiencing success in the regular school program may choose to participate in an alternative program such as an Area Learning Center (ALC).

The Minnesota Association of Alternative Programs is a nonprofit umbrella association of alternative programs. H.F. 2199 authorizes a grant of \$45,000 to the Minnesota Association of Alternative Programs for their STARS (Success, Teamwork, Achievement, Recognition, and Self-Esteem) initiative.
