

To the Chair and Committee,

My Name is Sara Bertschinger and I am writing in

Opposition to HF 396, HF 14, HF 15 and HF 601

My concerns for all four bills are the same. Where will this lead? Why is there infringements being proposed against the 2<sup>nd</sup> Amendment? Unlawful individuals will give two hoots to these laws, all these bill are doing is restricting and infringing on the rights and safety of law abiding citizens. These increased regulations will hurt small businesses and families. These proposed bill will decrease safety and accountability. We as a society should be encouraging Responsibility and Accountability verse this nanny state mentality! HF 396 has me extra concerned, because when there is danger, time is of the essence. Unlocking 2 lock boxes and then loading the firearm leaves families vulnerable for far too long! Having a loaded gun locked away for emergent use is reasonable and responsible.
