# Shelter Models in Greater MN

---

- **Two primary models:**
  - Local motels to provide shelter
  - Physical shelter models that range from duplexes, converted motels or congregate shelters
- Until we are able to build enough housing to meet the needs of our state, shelter is a life saving option for communities across the state

# Advancing Solutions on Homelessness

---

- **Shelter Capital:** Expand & Preserve Emergency Shelter Beds
- Investment to strengthen the **Emergency Services Program (ESP)**
