

Subject Elections Administration

Authors Nelson, M.

Analyst Matt Gehring

Date March 23, 2022

Overview

This bill contains a number of technical updates to the terminology used in statute to refer to certain types of envelopes used in the absentee voting process. IN particular, a number of references to a “return” envelope are changed to refer to those envelopes as a “secrecy” envelope. These changes are consistent with the way the envelopes are referred to in the elections administration process, and in other places in statute.

Summary

Section	Description
1	Delivery of envelopes; directions. Updates terminology and references to more accurately reflect the types of envelopes used in the absentee voting process.
2	Design of envelopes. Updates terminology and references to more accurately reflect the types of envelopes used in the absentee voting process, and the way they are processed.
