Sec. 6. Minnesota Statutes 2016, section 297E.021, subdivision 4, is amended to read:

Subd. 4. **Appropriation; general reserve account.** (a) To the extent the commissioner determines that revenues are available under subdivision 3 for the fiscal year, those amounts are appropriated from the general fund for deposit in a general reserve account established by order of the commissioner of management and budget. Appropriations under this subdivision for each fiscal year are limited to the amounts necessary to provide a balance in the reserve account up to the limit under paragraph (b). Amounts in this reserve are appropriated as necessary for application against any shortfall in the amounts deposited to the general fund under section 297A.994 or, after consultation with the Legislative Commission on Planning and Fiscal Policy, amounts in this reserve are appropriated to the commissioner of management and budget for other uses related to the stadium authorized under section 473J.03, subdivision 8, that the commissioner deems financially prudent including but not limited to reimbursements for capital and operating costs relating to the stadium, refundings, and prepayment of debt. In no event, shall available revenues be pledged, nor shall the appropriations of available revenues made by this section constitute a pledge of available revenues as security for the prepayment of principal and interest on the appropriation bonds under section 16A.965.

(b) The balance in the reserve account established by the commissioner under this subdivision must not exceed \$26,821,000.

EFFECTIVE DATE. This section is effective July 1, 2019 and any amount above the limit set in paragraph (b) on that date cancels to the general fund.
