

State of Minnesota

H. F. No. **15**

2.1 ~~(e)~~ (d) For school districts issuing bonds to finance the plan, the plan must include a  
2.2 debt service schedule demonstrating that the debt service revenue required to pay the principal  
2.3 and interest on the bonds each year will not exceed the projected long-term facilities revenue  
2.4 for that year.

2.5 **EFFECTIVE DATE.** This section is effective for plans submitted to the commissioner  
2.6 on or after August 1, 2025.

2.7 Sec. 3. **APPROPRIATION; SCHOOL SECURITY GRANTS.**

2.8 (a) \$..... in fiscal year 2026 is appropriated from the general fund to the commissioner  
2.9 of public safety to issue school security grants to school districts and charter schools, in  
2.10 consultation with the Minnesota School Safety Center.

2.11 (b) A school district or charter school may apply for a grant in the form and manner  
2.12 specified by the commissioner. The commissioner may establish timelines for grant  
2.13 applications and may award grants in more than one round. Applications for the last round  
2.14 of grants must be received by the commissioner no later than August 1, 2025.

2.15 (c) The Minnesota School Safety Center must rank applicants based on the proposed  
2.16 plan for school security system installation and the commissioner must award grants in a  
2.17 manner consistent with the ranking. The grants must be awarded to schools located in all  
2.18 geographic regions of the state and priority must be given to facilities serving the largest  
2.19 number of students within that geographic region.

2.20 (d) The Minnesota School Safety Center must prepare a list of vendors authorized to  
2.21 provide the security services and products listed in this paragraph. The Minnesota School  
2.22 Safety Center must only include vendors that have been operating for at least two years and  
2.23 that have experience providing the school security services described in this paragraph. A  
2.24 school district or charter school must use grant money to contract with an approved vendor  
2.25 for implementation and installation of a comprehensive, multilayered, integrated security  
2.26 system, including an evaluation of a school site's current security systems, and training for  
2.27 school staff on using the security systems. The security systems must include a system to  
2.28 alert local law enforcement of an immediate security threat within each room in the school.  
2.29 A comprehensive, multilayered, integrated security system must include as many of the  
2.30 following components that an authorized vendor determines may be installed:

2.31 (1) bullet-resistant interior doors and windows;

2.32 (2) ballistic wall panels;

2.33 (3) magnetic door-locking systems;

- 3.1 (4) remote lock-down activation systems;
- 3.2 (5) a mass notification system unified with an emergency communication system;
- 3.3 (6) an emergency building access system for first responders including fire, emergency
- 3.4 medical services, and law enforcement personnel;
- 3.5 (7) an access control system with remote door-release capabilities;
- 3.6 (8) electronic access controls for main distribution frame and independent distribution
- 3.7 frame rooms with a key override;
- 3.8 (9) classroom duress alarms linked to a law enforcement and administration notification
- 3.9 system;
- 3.10 (10) security system training for staff to initiate emergency protocols;
- 3.11 (11) ballistic security glass for interior door vision panels and sidelites;
- 3.12 (12) electronic access control systems for primary building entrances; and
- 3.13 (13) classroom door installations that optimize safety and security.
- 3.14 (e) The Minnesota School Safety Center must identify vendors that provide the services
- 3.15 and systems required under paragraph (d) and provide districts and charter schools with a
- 3.16 list of approved vendors.
- 3.17 (f) The Department of Public Safety may retain up to 2.5 percent of the appropriation
- 3.18 to administer the grant, including for the Minnesota School Safety Center to provide districts
- 3.19 and charter schools with technical assistance.
- 3.20 (g) By February 1 following each year a grant is awarded under this section, the
- 3.21 Minnesota School Safety Center must report to the commissioner of public safety on the
- 3.22 number and amount of grant awards, a description of each grant recipient's purchased items
- 3.23 and the vendors contracted for school security system installation and technical assistance,
- 3.24 and considerations for future school security grant funding, management, and installation.
- 3.25 Within two weeks of receiving a report from the Minnesota School Safety Center, the
- 3.26 commissioner of public safety must provide the report to the chairs and ranking minority
- 3.27 members of the legislative committees with jurisdiction over kindergarten through grade
- 3.28 12 education policy and finance, and public safety policy and finance.
- 3.29 (h) This is a onetime appropriation and is available until June 30, 2028.
