RE: Support of House File 2809 (Hudson): Establishing the crime of residential protesting.

Dear Representatives:

The Minnesota Police and Peace Officers Association (MPPOA) is the largest association exclusively representing police and peace officers in our great state.

MPPOA supports House File 2809 (Hudson). Establishing the crime of residential protesting.

Minnesotans expect safety and security, especially within their home and in their neighborhoods. For many - nothing is more sacred than the privacy and protection of their family. House File 2809 balances the right of one to peacefully protest while also establishing law for Minnesotans to be secure at their residence.

We urge your consideration of this important public safety bill.

Sincerely,
