## Community Schools are a Strategy not a Program

It takes...

- Coordination
- Collaboration
- Cohesion
- Continuous Improvement

3

## Community Schools are incubators of innovation

4

# Community Schools are a good stewards of resources

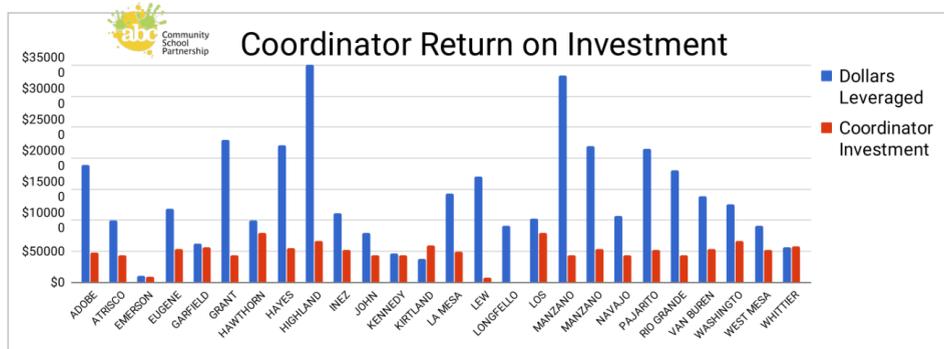

$$ROI = \frac{\$1,202,736 - \$148,258}{\$148,258} \times 100 = 711\%$$

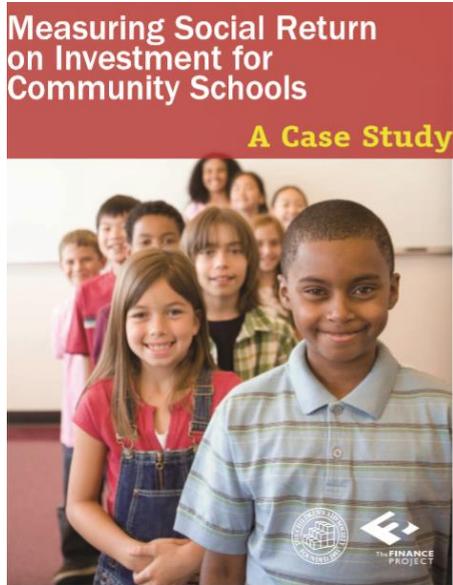

Resulting in each \$1 invested in the coordinator **returning approximately \$7.11 net benefits.**

5

## Making systemic investments

6

Social return on investment is an innovative approach to measure the value of social outcomes in human services initiatives.

Graduation ceremony for The Children's Aid Society's Erollia Pepin Parent Leadership Institute. Since its inception in 2007, the Institute has graduated an average of 400 parents and family members a year.

—The Children's Aid Society

$$SROI = \frac{\text{Net Present Value of the Benefits}}{\text{Total Value of the Investments}} = \frac{\$9,903,292}{\$1,000,000} = 9.9$$

### Community Schools as an Effective School Improvement Strategy

#### *A Review of the Evidence*

RESEARCH BRIEF | DEC 2017

Anna Maier, Julia Daniel, and Jeannie Oakes

**Abstract**

The report on which this brief is based synthesizes the research evidence about the impact of community schools on student and school outcomes. Its

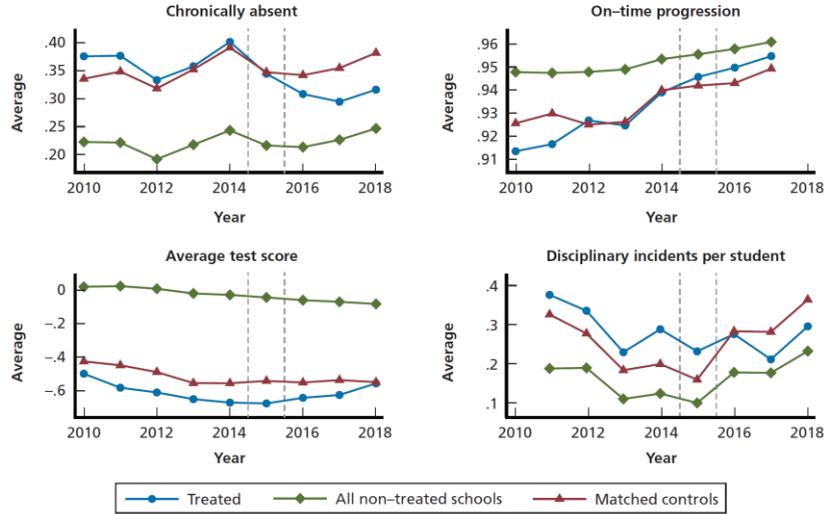

Increasing economic inequality and residential segregation have triggered a resurgence of interest in community schools—a century-old approach to making schools places where children can learn and thrive, even in under-resourced and underserved neighborhoods. Community
