

Proposal Title	HF 2115, Art 6 Section	MN Stat Section	Section Description	Comments
IG-01 Children and Families Licensing Policy	1	142B.10, subd 14	Clarifies language about license applications to reflect family child care's transition to a continuous license structure, without a need to apply each year. Clarifies language to reflect that child foster care does not yet operate on a continuous license structure.	Technical clean-up identified by OLA.
IG-01 Children and Families Licensing Policy		142B.171, subd 2	Removes language about not publicly posting technical assistance due to new federal Child Care Development Fund (CCDF) requirements to post everything that was reviewed at a visit.	This section will be added in the author's amendment. Federal compliance.
IG-01 Children and Families Licensing Policy	2	142B.30, subd 1	Makes technical corrections to reflect family child care's transition to a continuous license structure. Clarifies language to reflect that child foster care does not yet operate on a continuous license structure.	Technical clean-up identified by OLA.
IG-01 Children and Families Licensing Policy	3	142B.51, subd 2	Updates child passenger restraint systems training language in DCYF licensing statute to apply to programs serving children under nine years old to align with 2024 Department of Public Safety (DPS) child passenger restraint systems changes. Removes the emergency relative variance due to changes in the DPS training delivery model.	Author's amendment changes effective date to strike paragraph (e) to July 1, 2026, per stakeholder feedback.
IG-01 Children and Families Licensing Policy	4	142B.65, subd 8	Updates child passenger restraint systems training language in DCYF child care center licensing statute to apply to programs serving children under nine years old to align with 2024 Department of Public Safety (DPS) child passenger restraint systems changes.	

Proposal Title	HF 2115, Art 6 Section	MN Stat Section	Section Description	Comments
IG-01 Children and Families Licensing Policy		142B.65, subd 9	Specifies that substitutes and unsupervised volunteers in a licensed child care center must complete a minimum of 2 hours of training each calendar year. This change is needed for Child Care Development Fund (CCDF) federal compliance.	This section will be added in the author's amendment. Federal compliance.
IG-01 Children and Families Licensing Policy	5	142B.66, subd 3	Makes a technical correction to change requirement for a licensed child care center's emergency plan review from "annually" to "each calendar year."	
IG-01 Children and Families Licensing Policy	6	142B.70, subd 7	Updates child passenger restraint systems training language in DCYF family child care licensing statute to apply to programs serving children under nine years old to align with 2024 Department of Public Safety (DPS) child passenger restraint systems changes.	
IG-01 Children and Families Licensing Policy		142B.70, subd 8	Specifies that family child care substitutes and adult caregivers who provide care for 500 or fewer hours must complete a minimum of 1 hour of training each calendar year. This change is needed for Child Care Development Fund (CCDF) federal compliance.	This section will be added in the author's amendment. Federal compliance.
IG-01 Children and Families Licensing Policy	7	142C.06, new subd 4	Adds requirement to post a conditional certification. Aligns with requirements for a conditional license.	
IG-01 Children and Families Licensing Policy	8	142C.11, subd 8	Requires certified child care centers to have written policies for behavior guidance and supervision.	
IG-01 Children and Families Licensing Policy	9	142C.12, subd 1	Specifies what must be included in CPR and first aid trainings for the director, all staff persons, substitutes, and unsupervised volunteers in certified child care centers.	

Proposal Title	HF 2115, Art 6 Section	MN Stat Section	Section Description	Comments
IG-01 Children and Families Licensing Policy		142C.12, subd 6	Specifies that substitutes in a certified child care center must complete a minimum of two hours of training each calendar year. This change is needed for Child Care Development Fund (CCDF) federal compliance.	This section will be added in the author's amendment. Federal compliance.
IG-01 Children and Families Licensing Policy	10	245A.18, subd 1	Updates child passenger restraint systems training language in DHS licensing statute to apply to programs serving children under nine years old to align with 2024 Department of Public Safety (DPS) child passenger restraint systems changes.
