HELPING COMMUNITY TO THRIVE

Chair Hassan,

We want to extend our sincerest gratitude for your inclusion of The New American Development Center in House File 3449. This investment in NADC will make a difference within the immigrant community and Minnesota.

This funding will allow many new businesses, ideas, and entrepreneurs to flourish and help increase our economic and workforce impact/sector within Minnesota. Funds will be used to deliver training, workshops, and one-on-one consultations to businesses as well as ensure they are startup ready. Access to capital is the biggest struggle for new businesses and this legislation helps to aid that.

Thank you for your support of our emerging entrepreneurs, businesses, and financial education. Please feel free to reach out with any questions.

Thank you again for the support.
