Overview

The Northstar Digital Literacy Assessment project is a program collaboratively developed by the Minnesota Literacy Council and its partners to provide digital badges and certification to users. An interested user accesses the assessments through a partner organization and, upon successful completion of each segment, receives a badge or certification showing mastery in the particular skill.

HF 3887 appropriates \$150,000 on a one-time basis to the Minnesota Literacy Council to support the Northstar Digital Literacy Assessment.
