"Section 1. Minnesota Statutes 2024, section 18C.111, subdivision 2, is amended to read:
Subd. 2. Delegation of duties. The commissioner may delegate duties under this chapter
to designated employees or agents of the Department of Agriculture or cities of the first
class.

..... moves to amend H.F. No. 2280 as follows:

1.7 Sec. 2. Minnesota Statutes 2024, section 18C.111, subdivision 4, is amended to read:

Subd. 4. Certification of regulatory compliance. (a) The commissioner may, under
rules adopted under section 18C.121, subdivision 1, certify a person to offer or perform a
regulatory compliance inspection of any person or site that stores, handles, or distributes
ammonia or anhydrous ammonia fertilizer. The deadlines established in section 14.125 are
extended until June 30, 2014, for rules adopted under this subdivision.

(b) Pursuant to those rules, a person certified under paragraph (a) may issue a certification
of compliance to an inspected person or site if the certified person documents in writing
full compliance with the provisions of this chapter and rules adopted under this chapter.

(c) A person or site issued a certification of compliance must provide a copy of the
certification to the commissioner immediately upon request or within 90 days following
certification.

(d) Certifications of compliance are valid for a period of three years. The commissioner
may determine a different time period in the interest of public safety or for other reasonable
cause.

2.1	Sec. 3. Minnesota Statutes 2024, section 18C.111, subdivision 5, is amended to read:
2.2	Subd. 5. Perfluoroalkyl and polyfluoroalkyl substances. (a) The Department of
2.3	Agriculture is the lead state agency for the regulation of fertilizer containing PFAS, including
2.4	the storage, handling, distribution, use, and disposal of fertilizer containing PFAS. In order
2.5	to reduce duplication, a distributor, registrant, or guarantor is not required to provide technical
2.6	data to another state agency if the distributor, registrant, or guarantor has previously submitted
2.7	the data to the commissioner and the data is available to the other state agencies.
2.8	(b) The commissioner may review the records of sewage sludge transfers under section
2.9	18C.135, subdivision 4, to investigate PFAS contamination or carry out any other duty in
2.10	this chapter."
