

2022 CIVIL LEGAL SERVICES

Need for Building Capacity

Overview:

- Communities served by CLS are disproportionately impacted by COVID
- Increased staff are needed to protect the critical needs of these communities and ensure equal access to justice
- Additional funding will ensure technological access to virtual court proceedings for all Minnesotans

FY23 Funding Request:

\$7,463,000

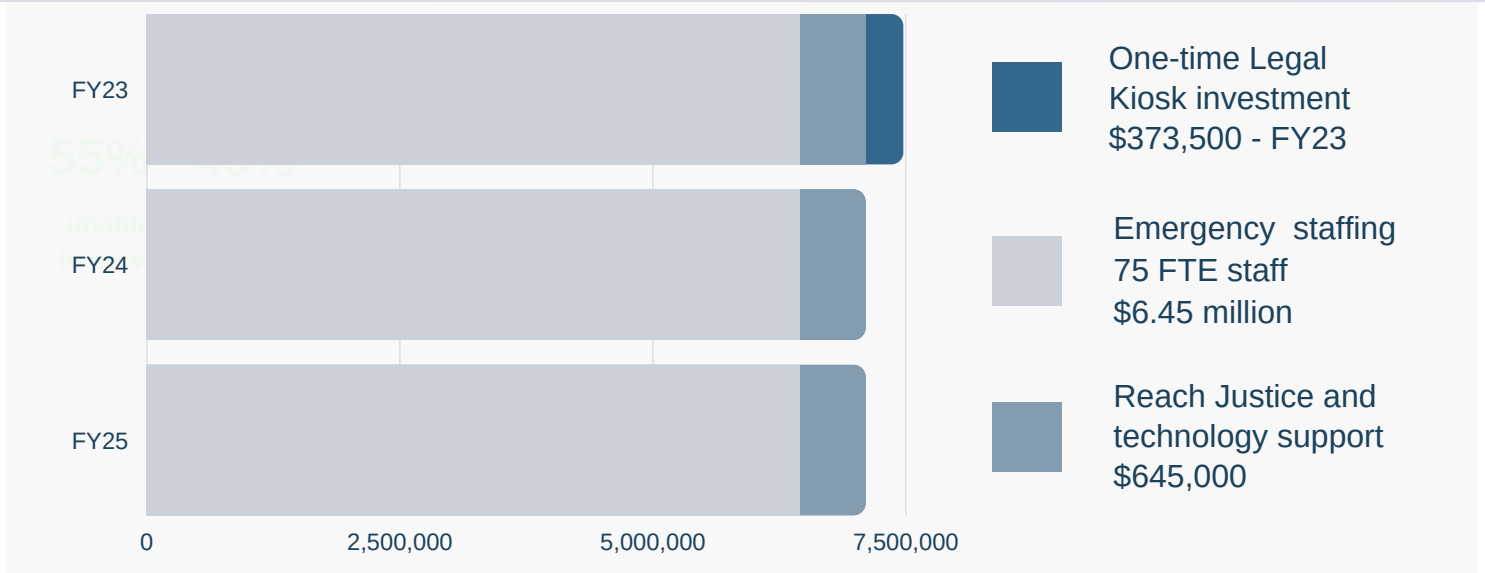

FY24 Funding Request:

\$7,051,000

FY25 Funding Request:

\$7,051,000

Emergency Capacity Building - \$21.567 million over 3 years
