

**Subject** Modifying the diaper distribution grant program

**Authors** Hicks and Reyer

**Analyst** Annie Mach

**Date** March 13, 2024

## Summary

In 2023, the legislature established a diaper distribution grant program to provide diapers to under-resourced families statewide (Minnesota Statutes, section 256E.38). The legislature appropriated \$545,000 in fiscal year 2024 and \$553,000 in fiscal year 2025 to the Department of Human Services for a grant to the Diaper Bank of Minnesota to administer the program and provided that the Diaper Bank of Minnesota could use up to four percent of the money for administrative costs. H.F. 3678 increases the amount the Diaper Bank of Minnesota may use for administrative costs to ten percent.
