## Why were we created?

- **Licenses** 7,037 Minnesota school administrators, up 2.3 % since 2016
- Reviews each of the 43 **administrative preparation programs** at Minnesota's fourteen universities every five years to ensure quality and effectiveness
- Processes over 120 **ethics** inquiry's per year, up 29% since 2016
- Ensures that the **professional development and continuing education** of licensed administrators meet the highest quality. Awards over 1,600 certificates of continuing education per year

## What are we trying to accomplish?

Trained, talented administrators whose performance gives our kids the best chance for success in this competitive economy.

## What do we stand for?

The Board believes in rigorous licensure standards. The Board expects colleges and universities produce the highest quality administrators. The Board demands and enforces that administrators be disciplined and exhibit ethical conduct beyond reproach. The Board ensures that professional development and continuing education challenge our administrators to grow and improve.
