

1.1 ..... moves to amend H.F. No. 1833, the delete everything amendment  
1.2 (H1833DE1), as follows:

1.3 Page 67, after line 6, insert:

1.4 "Sec. 51. **[216C.45] POWER PLANT HOST COMMUNITY TRANSITION**  
1.5 **PLANNING.**

1.6 The commissioner of commerce must coordinate with the commissioner of labor and  
1.7 industry and the commissioner of employment and economic development to develop plans,  
1.8 programs, and recommendations to mitigate the impacts on host communities and workers  
1.9 resulting from the retirement of large electric generation facilities. The commissioners must  
1.10 confer with stakeholders in preparing these plans and programs, including representatives  
1.11 of local government units that host large electric generation facilities, workers and contractors  
1.12 at large generation facilities, and the utilities that own large electric generation facilities.

1.13 **EFFECTIVE DATE.** This section is effective the day following final enactment."

1.14 Renumber the sections in sequence and correct internal references
