(b) Programs must not be:

2.1

2.2	(1) the subject of a finding of fraud;
2.3	(2) prohibited from receiving public funds under Minnesota Statutes, section 245.095;
2.4	<u>or</u>
2.5	(3) under revocation, suspension, temporary immediate suspension, or decertification,
2.6	regardless of whether the action is under appeal.
2.7	(c) Public health support funds under this section must be made available to all eligible
2.8	programs on a noncompetitive basis.
2.9	Subd. 3. Requirements to receive public health support funds. (a) To receive funds
2.10	under this section, an eligible program must have completed an application for October to
2.11	December COVID-19 public health support funds, attesting and agreeing in writing that
2.12	the program has been operating and serving children as of September 15, 2020. An applicant
2.13	program must further attest and agree in writing that the program intends to remain operating
2.14	and serving children through February 15, 2021. Exceptions to this operating requirement
2.15	are:
2.16	(1) service disruptions that are necessary due to public health guidance to protect the
2.17	safety and health of children and child care programs issued by the Centers for Disease
2.18	Control and Prevention, commissioner of health, commissioner of human services, or a
2.19	local public health agency; and
2.20	(2) planned temporary closures for provider vacation and holidays for up to three weeks
2.21	over the duration of the funding months from September 15, 2020, to February 15, 2021,
2.22	but not sequentially.
2.23	Temporary closures must be reported to the Department of Human Services using a form
2.24	prescribed by the commissioner. For licensed and certified centers, only temporary closures
2.25	of the entire program need to be reported; classroom closures or other operating adjustments
2.26	do not need to be reported.
2.27	(b) Providers who close permanently for any reason are subject to recovery of funds for
2.28	any period of time after program closure. Permanent closures must be reported to the
2.29	Department of Human Services using a form prescribed by the commissioner.
2.30	(c) Notwithstanding paragraphs (a) and (b) of this subdivision, if the commissioner
2.31	determines that the temporary or permanent closure of one program is undertaken to ensure
2.32	the continued availability of services to children by another program, the commissioner
2.33	may issue the closed program's public health support funds to the program that has agreed

to accept the children previously cared for by the closed program whether or not all the
children choose to go to the remaining program and whether or not the remaining program
is already receiving public health support funds.
(d) To receive funds under this section, an eligible program must:
(1) continue to comply with all other requirements listed in the application for October
to December COVID-19 public health support funds; and
(2) prioritize use of these funds during the monthly award periods, and must use the
funds to cover costs incurred during the peacetime emergency declared by the governor
relating to COVID-19.
Subd. 4. Maximum payment to programs. (a) For December 2020, an eligible family
child care program may receive no more than \$1,200, including funds paid by the
commissioner from the federal coronavirus relief fund.
(b) For January and February 2021, an eligible family child care program may receive
up to \$1,200 in monthly public health support funds.
(c) For December 2020, an eligible licensed child care center may receive no more than
\$8,500, including funds paid by the commissioner from the federal coronavirus relief fund
(d) For January and February 2021, an eligible licensed child care center may receive
up to \$8,500 in monthly public health support funds.
(e) For December 2020, eligible certified child care centers will not receive additional
public health support funds.
(f) For January and February 2021, an eligible certified child care center may receive
up to \$3,000 in monthly public health support funds.
Subd. 5. Appropriation. (a) \$53,122,000 in fiscal year 2021 is appropriated from the
general fund to the commissioner of human services for public health support funds under
this section. Of this amount, up to \$142,000 is for the commissioner to administer the support
funds in accordance with this section.
(b) This is a onetime appropriation and is available until June 30, 2021, or until 60 days
after the expiration of the peacetime emergency declared by the governor in an executive
order that relates to the infectious disease known as COVID-19, whichever occurs earlier.
Any unobligated or unexpended amounts cancel on June 30, 2021, or 60 days after the
expiration of the peacetime emergency declared by the governor in an executive order that
relates to the infectious disease known as COVID-19, whichever occurs earlier.
