

March 22, 2023

Dear Minnesota House Education Finance Committee,

Our district has been in conversation with Project Success and is interested in bringing Project Success' experiential learning programming to our community here in Mankato.

At Mankato Public Schools, we are committed to working together equitably, so that each learner has the knowledge and skills to be a successful and contributing citizen in a diverse global society. We believe that Project Success programming has the potential to be a tremendous fit into helping us meet our goals as a district to support our students' engagement in their learning and future planning.

Thank you for your consideration of this funding request.

Paul

**Paul Peterson**
