

1.1 moves to amend H.F. No. 3237, the delete everything amendment
1.2 (H3237DE2), as follows:

1.3 Page 13, after line 14, insert:

1.4 "Section 1. **[137.45] FETAL TISSUE RESEARCH.**

1.5 Subdivision 1. **Fetal tissue research center.** In addition to the purposes designated
1.6 in Laws 2015, chapter 69, article 1, section 5, subdivision 2, appropriations in fiscal year
1.7 2017 to the Board of Regents to enhance and strengthen the university's medical school
1.8 are also designated for the purpose of establishing a fetal tissue research center. The
1.9 purpose of the center must be to:

1.10 (1) provide oversight of all research activities at the university that request the
1.11 use of fetal tissue;

1.12 (2) ensure compliance with applicable laws and policies governing the ethical
1.13 acquisition, sale, handling, and disposal of fetal tissue; and

1.14 (3) act as a central source for procurement of fetal tissue for use in research activities.
1.15 The center may only procure fetal tissue for use in research if the tissue is available due
1.16 to the natural death of the fetus.

1.17 Subd. 2. **Disposal of fetal tissue.** Disposal of any fetal tissue acquired, or currently
1.18 maintained, by the university on or after the effective date of this section must comply
1.19 with the requirements of section 145.1621.

1.20 **EFFECTIVE DATE.** This section is effective the day following final enactment."

1.21 Renumber the sections in sequence and correct the internal references
