I receive: An Early Learning Scholarship Child Care Assistance Both

How has an Early Learning Scholarship or Child Care Assistance affected your family's life? What does this support mean for your family?

The Early learning Scholarship has helped my families in many ways. It has gave our family the financial help to be able to place my daughter in a high quality childcare that will help her grow in the future.

How did you feel when you received notice that you and your children were awarded an Early Learning Scholarship or Child Care Assistance?

Speechless, It is a huge financial relief to know I have help where I need it and know my daughter is getting a great education.

How do you feel this will ensure that your child(ren) will be prepared for kindergarten?

Great deal of relief, to know my daughter will be prepared for kindergarten when I cant teacher her everything and she is in great hands that help her grow.

Do you have suggestions on how to make Early Learning Scholarships or Child Care Assistance work better for families?

Lower the age requirements
award to any age group.

Other thoughts you would like to share?

At which center is your child currently enrolled?
In which city is the center located?

THANK YOU parents, both for entrusting us with the care and education of your children, and for taking the time to share your family's story. Real words from real people across Minnesota are what help us advocate for increased funding and better policies for young children, their families, and the professionals who support them. We are so pleased to be your partner.
