

1.1 moves to amend H.F. No. 222, the delete everything amendment
1.2 (H0222DE7), as follows:

1.3 Page 5, after line 27, insert:

1.4 "Subd. 9. **No chilling of protected conduct.** An automated license plate reader may
1.5 not be used at any event or activity, or series of events or activities, at which activities
1.6 protected by the Bill of Rights of the United States Constitution may be expected to
1.7 occur without documenting both:

1.8 (1) reasonable efforts to limit the scope of the use to an active criminal investigation;

1.9 and

1.10 (2) the express written consent of the commander of the of the law enforcement
1.11 agency.

1.12 The documentation required by this subdivision is public data."
