Summary

This bill appropriates \$40,000,000 in fiscal year 2023 from the general fund to the disaster assistance contingency account (DACA). This appropriation is effective the day following final enactment.

The DACA has received just over \$103,000,000 since it was created in 2014. These funds are used for responding to natural disasters declared by the federal or state government and can be deployed quickly without legislative action.
