

1.1 moves to amend H.F. No. 4077, the first engrossment, as follows:

1.2 Page 2, delete lines 5 and 6

1.3 Page 2, line 7, after "enactment" insert "and applies to contracts and agreements entered
1.4 into on or after that date"

1.5 Page 2, after line 7, insert:

1.6 "Sec. 2. PREEXISTING NONDISCLOSURE AGREEMENTS.

1.7 By December 31, 2026, a municipality, as defined by section 1 of this act, must create
1.8 a document that discloses the existence of and basic identifying information regarding any
1.9 contract or agreement that the municipality entered into up to ten years prior to the effective
1.10 date of this section which restricts the municipality from disclosing information to members
1.11 of the public about the development of land, an economic development project or program,
1.12 or a project or program financed in whole or in part with the municipality's tax revenues,
1.13 financial obligations, or taxing powers, including proposed tax increment financing districts,
1.14 economic development abatements, and municipal bonds or other debt obligations, except
1.15 as required by state or federal law. That document must be available for inspection in person
1.16 by any person on request during regular office hours at the municipality's primary business
1.17 location. In addition, the document must be made accessible on the municipality's official
1.18 website, if the municipality has an official website.

1.19 EFFECTIVE DATE. This section is effective the day following final enactment."

1.20 Amend the title accordingly
