# Association of Minnesota Public Educational Radio Stations Legacy Fund Request

## HF 1408/SF 1912

**Ampers is requesting \$3,900,000 from the Legacy Fund for the FY2024 – 2025 biennium.**

Item	FY 2024 Request	FY 2025 Request	FY2022	FY2023
Legacy Fund Request	\$1,950,000	\$1,950,000	\$1,950,000	\$1,950,000

Rationale: The Legacy funds are distributed to Ampers and the 17 eligible Ampers stations. The stations primarily serve diverse underrepresented communities. Ampers and its member stations earned seven prestigious awards for our Legacy programming in FY22. We have earned 88 awards for our Legacy programming in the past nine years for programs like Minnesota Native News and 10,000 Fresh Voices. Our request is flat from the previous biennium.
