33.26 designated the appropriation as a onetime appropriation, if the commissioner of  
33.27 management and budget determines that the legislature clearly intended the appropriation  
33.28 to be onetime, or if the program for which the appropriation was made expires on or  
33.29 before July 1.

33.30 (c) If an appropriation remains in effect under authority of subdivision 1, but the  
33.31 program or activity that is the subject of the appropriation is scheduled to expire during a  
33.32 fiscal year, the commissioner of management and budget must prorate the appropriation.

33.33 (d) The commissioner of management and budget may make technical adjustments  
33.34 to the amount of an appropriation to the extent the commissioner determines the technical  
33.35 adjustments are needed to accurately reflect the amount that constitutes the annual

34.1 base level of the appropriation. The commissioner may make an adjustment under this  
 34.2 paragraph only if one or more of the following conditions is met:

34.3 (1) the legislature previously appropriated money for a biennium, with the entire  
 34.4 appropriation being allocated to one year of the biennium, and the commissioner  
 34.5 determines an adjustment is necessary to accurately reflect the annual amount needed to  
 34.6 maintain program operations at the same level;

34.7 (2) laws or policies under which revenues and expenditures are accounted for have  
 34.8 changed to eliminate or consolidate certain funds or accounts or to create new funds or

34.10 (3) duties have been transferred between agency programs, or between agencies, and  
 34.11 adjustments in appropriations are necessary to reflect these transfers; or

34.12 (4) a program, or changes to a program, were not fully operational in one fiscal year,  
 34.13 but will be fully operational in the following year, and an adjustment to the appropriation  
 34.14 is needed to accurately reflect the annual cost of the new or changed program.

34.15 The commissioner of management and budget must give the chairs and lead  
 34.16 minority caucus members of the senate finance and house ways and means committees  
 34.17 written notice of any adjustments made under this subdivision.

34.20 Each executive branch state agency that receives federal funds must notify the  
 34.21 budget committees of the legislature with jurisdiction over the agency by October 1  
 34.22 of each even-numbered year if the agency believes there is potential for a significant  
 34.23 reduction in the amount of federal funds the agency will receive in the biennium beginning  
 34.24 the following July 1. Each notice must include:

34.25 (1) the reasons for the potential reduction in federal funds, and the likelihood the  
 34.26 reduction will occur;

34.27 (2) the impact to the agency's operations and to other state and local government  
 34.28 services related to the potential reduction in federal funds; and

35.27 account. The council shall by majority quorum vote approve or disapprove establishing  
35.28 the convenience fee on particular types of transactions, the fee amount, and any changes in  
35.29 the fee amount. If the convenience fee receipts are retained by or transferred to the private  
35.30 entity in lieu of deposit in the North Star account, the council may audit the private entity's  
35.31 convenience fee receipts, expenses paid by the receipts, and associated financial statements.

35.32 (1) The council shall consist of the state chief information officer or the chief
