1.7 "(e) By December 31, 2027, the Office of the Inspector General must enter into an

1.9 must include a clause on cost-sharing for investigations that may require multiagency
1.10 coordination, a clause that details what process will be followed if a joint investigation is
1.11 required, and a clause that governs the Office of Inspector General's access to the status or
1.12 disposition of a referral provided to the Bureau of Criminal Apprehension under Minnesota
1.13 Statutes, section 15E.25, subdivision 1, clause (5). The agreement must not preclude the

1.15 to take actions that would interfere with the bureau's ability to perform, duties required as
1.16 a condition for securing or maintaining federal funding. The agreement must not limit the
