**Bill Description**

Creation of the Brady-Giglio Disclosure Task Force.

Section 1, subd. 1 creates the task force and includes the representative of the Data Practices Office.

**Assumptions**

Participation in the task force would not have a fiscal impact on Data Practices Office of the Department of Administration.

In determining that the Office has no fiscal impact, the Department assumes that the Office will participate in monthly meetings of the task force to provide subject-matter expertise on issues of data classification, sharing, and retention. The Department assumes that the Office will be required to perform minimal task force work outside of meetings. Technical assistances and research are part of the Office’s on-going responsibilities, and therefore, the Office has the staff capacity and resources to absorb the work of the task force

**Bill Description**

HF962-1UE (“the bill”) establishes an advisory panel to “provide advice and make recommendations for potential legislation related to the disclosure of certain evidence and use of Brady-Giglio lists[.]” Membership includes a current or retired district court judge and members serve without compensation or reimbursement for any expenses.

The advisory panel is encouraged to meet monthly or sufficiently enough to complete the work requested. The bill outlines the types of considerations the advisory panel is encouraged to address. The advisory panel is encouraged to submit a report with its recommendations to the legislative committees and divisions with jurisdiction over public safety by February 15, 2026.

**Assumptions**

It is assumed that the advisory panel will meet no more frequently than monthly and will not continue to meet after February 15, 2026. It is assumed the bill will not require any additional judicial branch resources other than the district court judge on the advisory panel, which is for a limited duration and scope. It is assumed the judicial branch will absorb this work.

**Expenditure and/or Revenue Formula**

The bill is not anticipated to have a significant fiscal impact on the judicial branch.
