

H.F. 1040

As amended by H1040DE2

Subject Recycling of solar and wind facilities

Authors Scott and others

Analyst Bob Eleff

Date March 12, 2025

Summary

House File 1040, the first engrossment as amended by H1040DE2, prohibits the placing of wind and solar infrastructure in mixed municipal waste, in solid waste facilities that are not recycling facilities, or in or on the land.
