

## **Written Testimony of Anna Holm on HF1163**

To whom it may concern,

My name is Anna Holm, and I am a junior at Cretin-Derham Hall. Giving illegal immigrants the opportunity to get their driver's license has numerous benefits for the economy and its citizens. For example, they can have an effective and efficient way to get to work. Not only does this benefit the immigrant, but the state as well. Without a reliable way to get to work, the economy misses out on the diversity that immigrants bring to the workplace. Especially in today's reality of the pandemic, public transportation is not necessarily the safest option, again leaving illegal immigrants without a means of getting to work. Ultimately, illegal immigrants deserve the opportunity to obtain a driver's license.

Thank you,

Anna Holm
