Serving all of Minnesota's children & their caring adults:

Greater Minnesota Children's Museum coalition members will serve nearly 500,000 guests annually, capturing visitors from 100% of Minnesota's 87 counties. Many of Minnesota's children and families do not have another opportunity to experience a children's museum, or other quality space for informal learning through play, beyond our respective organizations.

How **you can help grow** curiosity & learning across the state with us:

Children's Museum of Southern MN, Mankato Request: \$10M to pre-design, design, construct, furnish and equip two new buildings. Renovation of one section of existing exhibit space, as well as construction for an outdoor nature play space.

\$36M in investments towards children's museums across Minnesota will have an economic return of 5x the investment through direct, indirect, and induced spending and job creation. As well as:

- Reveal the impact children's museums have on early childhood development
- Strengthen bonds between families of all types and our shared communities
- Increase cross-cultural competency and inclusion
- Drive economic development & improve quality of life
- Bridge the gap in funding for Children's Museums in Greater Minnesota
- Drive tourism to Greater Minnesota
