Dear Chair Pinto and Committee Members:

My name is David Pacheco and I'm the Executive Chef for Tiffins Inc., better known as Tiffin Man Global Kitchen. I am writing in support of HF 2225, which would provide ongoing funds to support the distribution of prepared meals to Minnesotans in need.

We have partnered with Second Harvest Heartland through their Kitchen Coalition program since 2021, making around 500 meals each week to distribute at the Normandale Community College Campus Cupboard and Minneapolis College Food Pantry. To date, we've prepared over 20,000 meals that have been served to college students facing food insecurity.

Our chefs tailor these meals to meet the cultural, religious, and dietary needs of the people we serve, knowing that too many of those facing food insecurity don't have the home, health or ability to cook for themselves with food available at their local food shelf. We are proud to help fill this gap in the emergency food landscape and know that our efforts are contributing to Minnesota's hunger fight.

Our hope is that more kitchen partners like us will get the chance to take part in this work, and ongoing state funding would make that a reality. HF 2225 would allow organizations like Second Harvest Heartland to grow operations in the communities they serve, or even expand into new towns and cities across Minnesota where the greatest disparities in food insecurity exist.

It is vital that this year's budget supports our state's emergency food system to help us end hunger in Minnesota. HF 2225 will ensure that every neighbor has a meal that's right for them.

Thank you for your consideration of this bill and your support for Minnesotans experiencing food insecurity.

Sincerely,

David Pacheco  
Executive Chef
