1.2 Page 1, before line 7 insert:

1.3 "Section 1. Minnesota Statutes 2022, section 161.45, is amended by adding a subdivision
1.4 to read:

1.5 Subd. 4. **High-voltage transmission.** Notwithstanding subdivision 1, paragraph (a),
1.6 high-voltage transmission lines, under the laws of this state, or the ordinance of any city,
1.7 may be constructed, placed, or maintained across or along any trunk highway, aided state
1.8 trunk highways, controlled access highway, interstate highway, or roadway, except as
1.9 deemed necessary by the commissioner of transportation to protect public safety or ensure
1.10 the proper function of the trunk highway. If the commissioner of transportation denies a
1.11 high-voltage electric line collocation request, the reasons for the denial must be submitted
1.12 for review to the chairs and ranking minority members of the committees with jurisdiction
1.13 over energy and transportation, the Public Utilities Commission executive secretary, and
1.14 the commissioner of commerce within 90 days of the denial. For the purposes of this
1.15 subdivision, "high-voltage transmission line" has the meaning given in section 216B.246,
1.16 subdivision 1, paragraph (b), and 216E.01, subdivision 4.

1.17 **EFFECTIVE DATE.** This section is effective the day following final enactment and
1.18 applies to applications for a route permit for a high-voltage transmission line filed with the
1.19 commission on or after that date."
