Olmsted County Response to Unsheltered Homelessness HF 2138

CHILDREN AND FAMILIES FINANCE & POLICY COMMITTEE
MINNESOTA HOUSE OF REPRESENTATIVES

MARCH 21, 2023

Homelessness in Olmsted County - Background

Overview of efforts 2018-Present

2018

- Cold Weather Shelter only
- People started staying in the Skyways

2019

- City response to skyways
- City/County supported a seasonal shelter

2020

- Housing Stability Team
- Covid Response System Established

Overview of efforts 2018-Present

2021

- County/City supporting a year-round shelter
- Housing Outreach Center opened (ECHO Center)

2022

- Street Medicine launched
- Shelter Workgroup
- Social workers in schools

Current Situation

- The Rochester Community Warming Center is at/over capacity
- 1,002 people were experienced homelessness during 2022
- 31% increase in students experiencing homelessness
- 15-20 evictions per week (approximately 2-3 month delay)
- Emergency Assistance exhausted until July 1, 2023
- Excess demand for family shelter

Shelter Workgroup

Community workgroup charged with recommendations to enhance our homeless response system

- People with lived experience
- 10 non-profit agencies
- City/County/School participation

Three Rivers Community Action

Women's Shelter

Zumbro Valley Health Center

Key Workgroup Recommendations

- 1) Robust Shelter System (long term facility for Warming Center)
- 2) Create a facility for Medical Recuperative Care
- 3) Family and Youth Shelter Facilities
- 4) Additional case management resources
- 5) Enhance Outreach efforts
