18.3 from "chemical dependency" to "substance use disorder" was made in Minnesota Statutes,  
18.4 chapter 260E, but was not made in Minnesota Statutes, chapter 260C. This section amends  
18.5 Minnesota Statutes, section 254.04, subdivision 1, to reflect the differing terminology usage  
18.6 between those chapters by using the term "substance use disorder" when cross-referencing

18.12 (2) only applies to the extent money allocated under Minnesota Statutes, section 253B.05,  
18.13 subdivisions 4 and 5, that clause has no application. The Department of Human Services

18.25 were repealed by Laws 2021, First Special Session chapter 7, article 1, section 40. The  
18.26 administration of early and periodic screening, diagnosis, and treatment services was codified  
18.27 in Minnesota Statutes, section 256B.0625, subdivision 58, by Laws 2021, First Special

25.16           Minnesota Statutes, sections 366.10 to 366.181, were repealed by Laws 2022, chapter  
25.17 38, section 2. The reference to this range of sections is still valid but should be made specific  
25.18 to the edition of Minnesota Statutes where they last appeared.

25.19      **Sec. 185. Explanation.**

25.20           This section changes a reference from "the excess police state aid account" to "the excess  
25.21 police state aid holding account," which is the correct name for the account as provided in  
25.22 Minnesota Statutes, section 477C.03, subdivision 3. The Department of Revenue was  
25.23 consulted in the preparation of this correction.

25.24      **Sec. 186. Explanation.**

25.25           This section corrects a drafting error that occurred when this law, formerly Minnesota  
25.26 Statutes, sections 566.11 to 566.13, was recodified as Minnesota Statutes, section 504B.371.

26.1 By their own terms, subdivisions 1, 4, and 5, and not subdivision 6, "do not apply in an  
26.2 action on a lease." This error was recently noted by the court in *Community Action*  
26.3 *Partnerships of Scott, Carver, and Dakota Counties v. Britton*, (Minn. Ct. App. Nov. 14,  
26.4 2022), File No. A22-1014.

26.5 Sec. 187. **Explanation.**

26.6 This section removes an obsolete cross-reference and replaces it with the correct  
26.7 cross-reference. Minnesota Statutes, section 168A.141, was repealed by Laws 2021, First  
26.8 Special Session chapter 8, article 3, section 5, and replaced with new Minnesota Statutes,  
26.9 section 168A.1412. That law instructed the revisor to correct cross-references, but did not  
26.10 account for this section, because of the internal references to "subdivisions 1 and 3."

26.11 Sec. 188. **Explanation.**

26.12 This section corrects an erroneous cross-reference. Minnesota Statutes, section 169A.20,  
26.13 subdivisions 1a, 1b, and 1c, were repealed by Laws 2021, First Special Session chapter 6,  
26.14 article 3, section 13.

26.15 Sec. 189. **Explanation.**

26.16 This section updates obsolete rule references. Minnesota Rules, part 5530.1000, was  
26.17 recodified in Minnesota Rules, chapter 5510.

26.18 Sec. 190. **Explanation.**

26.19 This section contained an erroneous reference to United States Code, title 10, sections  
26.20 1209 and 1211. The correct reference is to United States Code, title 10, chapters 1209 and  
26.21 1211.

26.22 Sec. 191. **Explanation.**

26.23 Subdivision 1. **Obsolete subdivision.** This subdivision repeals an obsolete subdivision  
26.24 that refers to a repealed subdivision. Minnesota Statutes, section 245.69, subdivision 2,  
26.25 which is referenced by this subdivision, was repealed by Laws 2021, chapter 30, article 17,  
26.26 section 113.

26.27 Subd. 2. **Obsolete subdivision.** This subdivision repeals an obsolete subdivision that  
26.28 refers to a repealed subdivision. Minnesota Statutes, section 72A.20, subdivision 15, which  
26.29 is referenced by this subdivision, was repealed by Laws 2022, chapter 93, article 2, section  
26.30 43.

27.1 Subd. 3. **Obsolete subdivision.** This subdivision repeals obsolete language. Minnesota  
27.2 Statutes, section 147D.27, subdivisions 5 and 6, were both enacted in 2019. Minnesota  
27.3 Statutes, section 147D.27, subdivision 5, was enacted in Laws 2019, chapter 8, article 7,  
27.4 section 7. Minnesota Statutes, section 147D.27, subdivision 6, was enacted in Laws 2019,  
27.5 First Special Session chapter 9, article 10, section 4. The two subdivisions of Minnesota  
27.6 Statutes, section 147D.27, contained overlapping fee categories but were not merged during  
27.7 editing of Minnesota Statutes in 2019. Section 51 of this bill consolidates the two separate  
27.8 lists into one list within Minnesota Statutes, section 147D.27, subdivision 6, by adding the  
27.9 only nonduplicated fee category from Minnesota Statutes, section 147D.27, subdivision 5,  
27.10 a verification fee, to subdivision 6. This subdivision repeals Minnesota Statutes, section  
27.11 147D.27, subdivision 5, now obsolete due to Minnesota Statutes, section 147D.27,  
27.12 subdivision 6, now containing all licensing-related fees for traditional midwives.

27.13 Subd. 4. **Obsolete subdivision.** Minnesota Statutes 2022, section 160.165, subdivision  
27.14 3, relates to ongoing construction work on the Central Corridor light rail transit line  
27.15 connecting Minneapolis and downtown St. Paul. The subdivision is obsolete because  
27.16 construction is complete.

27.17 Subd. 5. **Obsolete section.** The trunk highway bridge improvement program expired  
27.18 June 30, 2018, under Minnesota Statutes 2022, section 165.14, subdivision 7.

27.19 Subd. 6. **Obsolete subdivision.** Minnesota Statutes 2006, section 221.60, subdivisions  
27.20 2 to 6, governing commercial zone vehicles, were repealed by Laws 2008, chapter 287,  
27.21 article 1, section 126, making commercial zone repair and servicing permits under Minnesota  
27.22 Statutes 2022, section 168.013, subdivision 16, obsolete.

27.23 Subd. 7. **Obsolete subdivision.** Minnesota Statutes 2022, section 168.271, requires  
27.24 certain information labels be affixed to certain new trucks manufactured after December  
27.25 31, 1978. The Department of Public Safety confirmed the date of applicability is obsolete  
27.26 and the subdivision is no longer necessary.

27.27 Subd. 8. **Obsolete subdivision.** Minnesota Statutes 2022, section 174.285, subdivision  
27.28 7, authorized the transfer of an appropriation made under Laws 2009, chapter 36, article 1,  
27.29 section 4, subdivision 2, from the Metropolitan Council to the Department of Transportation.  
27.30 Both the Metropolitan Council and the Department of Transportation confirmed this transfer  
27.31 has been completed, making subdivision 7 obsolete.

27.32 Subd. 9. **Obsolete subdivision.** Minnesota Statutes 2022, section 219.662, subdivision  
27.33 2, established compliance periods for railroads to install speed indicators on all locomotives

28.1 between October 1975 and October 1977. The compliance periods have lapsed and the  
28.2 Department of Transportation confirmed that subdivision 2 is no longer necessary.

28.3 Subd. 10. **Obsolete subdivision.** This subdivision repeals obsolete language. Minnesota  
28.4 Statutes, section 256B.051, subdivision 7, was enacted by Laws 2017, chapter 6, article 2,  
28.5 section 10. Minnesota Statutes, section 256B.051, subdivision 7, required that supplemental  
28.6 service rates for certain housing support settings be reduced by one-half over a two-year  
28.7 period from enactment, which has since passed. The Department of Human Services was  
28.8 consulted in the preparation of this correction.

28.9 Subd. 11. **Obsolete subdivision.** This subdivision repeals obsolete language. Minnesota  
28.10 Statutes, section 256B.439, subdivision 3b, required the Department of Human Services to  
28.11 work with advisory groups to develop recommendations for a home and community-based  
28.12 services report card. Minnesota Statutes, section 256B.439, subdivision 3b, required the  
28.13 department to present the recommendations to the chairs and ranking minority members of  
28.14 the legislative committees and divisions with jurisdiction over health and human services  
28.15 by August 1, 2014, and to make the report card available on July 1, 2015. Both deadlines  
28.16 have since passed. The Department of Human Services was consulted in the preparation of  
28.17 this correction.

28.18 Subd. 12. **Obsolete subdivisions.** This subdivision repeals two subdivisions that applied,  
28.19 by their own terms, only to taxable years beginning after December 31, 2009, and before  
28.20 January 1, 2013.

28.21 Subd. 13. **Obsolete subdivision.** This subdivision repeals a subdivision that defines a  
28.22 term that is no longer used in the chapter. The Department of Human Services was consulted  
28.23 in the preparation of this correction.

28.24 Subd. 14. **Obsolete section.** The Department of Public Safety no longer requires a person  
28.25 to provide a purchaser's certificate to the department prior to registering a motor vehicle,  
28.26 making Minnesota Statutes 2022, section 297B.04 obsolete.

28.27 Subd. 15. **Obsolete section.** The Department of Public Safety no longer requires a person  
28.28 to provide a purchaser's certificate to the department prior to registering a motor vehicle,  
28.29 making Minnesota Statutes 2022, section 297B.05 obsolete.

28.30 Subd. 16. **Obsolete subdivision.** Minnesota Statutes 2022, section 299F.851, subdivision  
28.31 7, allowed the resale of cigarettes that did not meet certain testing standards if those cigarettes  
28.32 were purchased from a wholesale or retail dealer prior to December 1, 2008. The Department  
28.33 of Public Safety confirmed that this exception is obsolete.

29.1 Subd. 17. **Obsolete rule part.** This subdivision repeals an obsolete rule to comport with  
29.2 changes Minnesota Statutes, section 626.892, subdivision 7 (section 189 of this bill).  
29.3 Minnesota Rules, part 5530.1000, only contains cross-references to recodified rules. By  
29.4 amending Minnesota Statutes, section 626.892, subdivision 7, to reference the recodified  
29.5 rules, Minnesota Rules, part 5530.1000, is now obsolete.

29.6 Subd. 18. **Obsolete rule part.** Minnesota Rules, part 7805.0300 was included in the  
29.7 Department of Transportation's annual Obsolete Rules Report.

29.8 Subd. 19. **Obsolete rule part.** Minnesota Rules, part 8810.4100 was included in the  
29.9 Department of Transportation's annual Obsolete Rules Report.

29.10 Subd. 20. **Conflict resolution.** This subdivision resolves a conflict between two enacted  
29.11 laws. Minnesota Statutes, section 245.462, subdivision 17, was amended by Laws 2021,  
29.12 chapter 30, article 17, section 16, which struck all text except the first six words. Minnesota  
29.13 Statutes, section 256.462, subdivision 17, was subsequently amended again in Laws 2021,  
29.14 First Special Session chapter 7, article 11, section 1, which added paragraph (b), clause (5),  
29.15 and still contained all of the language struck by Laws 2021, chapter 30, article 17, section  
29.16 16. Because the two amendments could not be merged editorially, the later enacted  
29.17 amendment, the First Special Session chapter 7 amendment, was printed in the main text  
29.18 and the chapter 30 amendment was printed as a note. This repealer allows the revisor to  
29.19 remove the note containing the amendatory language.
