

Ms Conley,

I write to weigh in on redistricting especially as it pertains to the 4th and 5th Congressional Districts.

I believe it is important to maintain these districts centered on the two cities and not blur or overlap the borders of the CD and Municipal boundaries. While they are called the Twin Cities, there are distinct differences between them politically and operationally which would be difficult for a Congressperson to navigate if they were to be joined.

Please share this with the members of the committee and thank them for their consideration.

Thanks,
