

Subject Chiropractors excluded from the provider tax

Authors Robbins and others

Analyst Chris Kleman

Date March 18, 2026

Summary

H.F. 4048 would modify the definition of health care provider under the MinnesotaCare tax (also known as the provider tax) to exclude licensed chiropractors. Due to this exclusion, licensed chiropractors would no longer be subject to the tax.

Effective beginning in 2027.
