

FY2010 LAWFUL PURPOSE STAR RATING Alphabetical by Organization

Beginning with FY2010 (July 1, 2009 through June 30, 2010) each licensed organization is evaluated by the Gambling Control Board to determine a rating based on the percentage of its annual gross profits spent on lawful purpose expenditures (LPE).

Lawful purpose expenditures include charitable contributions, payments to local units of government, state gambling taxes, and building expenses related to veteran and fraternal organizations.

Organizations are evaluated according to the following criteria.

<u>% Spent LPE</u>	<u>Rating</u>
50% or more	5 star
40% or more	4 star
30% or more	3 star
20% or more	2 star
Less than 20%	1 star

Organizations with less than a three star rating are placed on probationary status. Probationary organizations must increase their rating to three or more stars by the end of the following fiscal year to avoid possible sanctions.
